It's All Inside!

August is traditionally a very quiet month for a lot of industries, businesses and such like, as families go away on holiday.

The same can be said for local events.

Compared to the lively Jubilee events of only a few weeks ago, the social calendar is looking quite bare this month. So, in between watching how many gold medals the Great Britain athletes win (or least contest) at the Olympics this month, why not take the opportunity to visit a **new** event that is happening locally to you?

Whether it be the Rose Bowl Quiz run by Colin at Glentham Village Hall on Thursday the 16th - I've attended the quiz on a couple of occasions… it really is a fun evening - or one of the few coffee mornings happening around the parishes this month, or maybe an evening event such as the barbeque in Hackthorn Village Hall on the 11th or the whist drive - this month in Normanby, I'm sure you will make new friends and be able to add a regular date to future months on your calendar.

Whatever you choose to do, I hope you enjoy yourself.

LETTER TO THE EDITOR

A friend asked me if I had ever heard of a poem her father, Dick, used to quote something about Normanby pots and Owmby pans. I hadn't heard, but did some Googling and found this. Perhaps you all know all about it, but it does seem relevant to all your villages so I pass it on.

If you know the origins of the above poem, please let me know, so I can pass on the information as well as putting it on the website for others to read.

BISHOP OF LINCOLN'S LETTER

Dear friends,

Many of you will be reading this during the month of August which for those of us in employment, and particularly those with school age children, is a time for holiday.

In my experience, I find that people tend to spread their holidays into July and September but even if you're not going away, August is a quieter month. There are fewer activities and it is an opportunity to rest and reflect on our busy lives.

The proper meaning of the word 'recreation' is to re-create. This time of year gives us a chance to sit back and reflect on our priorities.

The last few months have given us some interesting instances to think about: the celebration of the Queen's Diamond Jubilee of Her Majesty's accession to the throne gave us an eloquent example of someone whose life is dictated by duty; and the Olympics and Paralympics, which conclude during August, remind us of the dedication and hard work that young people put into their chosen vocation.

Even if we are not - as I am not - in the first flush of youth, the example of the Queen's dedication and young people's hard work and commitment can encourage us to think about how we ourselves can contribute to building community in our area: through work, through leisure or through our networks of family and friends. How can we help to build a better Britain and as Christians, how can we help to uncover the Kingdom of God in the light of the world?

Have a happy and restful August, but please use the opportunity to reflect on new opportunities and priorities.

+Christopher Lincoln:

LORD OF LIGHT

O Lord of light who has called us out of darkness, prepare our hearts with sympathy, reveal to us the ranks of those that are struggling upward, that we may cheer and support them. Remove from us the love of glory and the thirst for praise, give us in weariness, refreshment, and in strength peace; but when we are idle, send shame and when we are false, send fear, to bring us back to Thee. By your love restrain our censorious speech and teach us to commend; by your wisdom enlighten out plans and direct our endeavours for the common good and give us the vision of that bright city of God upon earth, where we all shall share the best they have, in thought and deed and none shall be afraid.

THOUGHT FOR THE MONTH

We convince ourselves that life will be better after we get married, have a baby, then another. Then we are frustrated that the kids aren't old enough and we'll be more content when they are.

After that, we're frustrated that we have teenagers to deal with. We will certainly be happy when they are out of that stage. We tell ourselves that our life will be complete when our spouse gets his or her act together, when we get a nicer car, are able to go on a nice vacation,or when we retire.

The truth is, there's no better time to be happy than right now. If not now, when? Your life will always be filled with challenges. It's best to admit this to yourself and decide to be happy anyway. Happiness is the way. So, treasure every moment that you have and treasure it more because you shared it with someone special, special enough to spend your time with… and remember that time waits for no one.

So, stop waiting

- until your car or home is paid off
- until you get a new car or home
- until your kids leave the house
- until you go back to school
- until you lose ten pounds
- until you gain ten pounds
- until you finish school
- until you get married
- until you have kids
- until you retire
- until spring
- until summer
- until autumn
- until winter
- until you die

There is no better time than right now to be happy.

Happiness is a journey, not a destination.

If you have something you think would be suitable for "Thought For The Month", please send it to the editor.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

Is there any wonder we, as a nation, have a reputation for being obsessed with the weather? Back in April, we were given dire warnings about how our water supplies were rapidly diminishing and we must all end our wasteful ways and find more and more inventive ways of saving water. We were banned from using our hosepipes and, since them, how many days could you name during the Summer Term when it didn't rain?

Amazingly for us, one of those rare occasions was the day of the Summer Fare, which we had fully expected to be hosting indoors yet again but, to our great surprise, the sun came out, so although the field was still waterlogged, we were able to set our stalls out on the school playground. What luxury!

The Fair was an Olympic-themed event so the children were dressed in various sporting costumes and there was a very entertaining competition which involved guessing the sports represented on various posters which had been designed by some of the pupils - not as easy as it sounds as some of the pictures were quite 'imaginative' to say the least!

Earlier that same day, the school had a taste of celebrity when a visit from England's Rugby League coach, Steve McNamara was picked up by the local media, resulting in interviews both on BBC Radio, and Look North. Mr McNamara gave the whole school some valuable insights into trying your hardest and working as a team, and certainly made a great impression on many of our pupils.

Enjoy the summer if it ever arrives!

THANK YOU

To all who supported the Group's Cheese and Wine Evening and Jubilee Memorabilia Exhibition held on Saturday 2nd June and Sunday 3rd June 2012. Thank you first to Jack and Christine Bettison for coping with most of the organisation, to members selling tickets for the evening and collecting items to exhibit and to those who loaned the items. Thanks also to all members who spent Saturday preparing the Hall and setting up the Exhibition and also to those members who then set up the Foyer and prepared the food for the evening. We think it was a great success and thank all who came on Saturday evening to support the event and to those brave souls who ventured out on a wet Sunday to see the Exhibition.

QUEEN'S DIAMOND JUBILEE CELEBRATIONS 2012

What fantastic celebrations we have had - and we haven't quite finished yet!

A HUGE thank you to everyone who made the events such a success. To those who organised and ran the different activities - the Casino Night, the Cheese and Wine evening, the Memorabilia Exhibition. To the Bell-Ringers who rang the quarter-peal and to the Rector for the songs in the Church to celebrate the Queen's Diamond Jubilee. Then there was the fantastic picnic in the Hall gardens followed by our amazing 50/60s disco and the loyal toast - with prizes for winners of the village games and for the fancy dress competition. All planned by a Steering Committee which was made up of volunteers from our two villages. Absolutely brilliant!!

Many thanks to Mr W Cracroft-Eley and family for kindly allowing us to hold the picnic in the Hall gardens, and for presenting the commemoration coins to the village children and making everyone feel so welcome.

Also, a massive thank you to all who came along to enjoy the various events and create such a fabulous atmosphere… and we were even lucky with the weather for our picnic!

And… we still have the planting of the oak tree sapling which has been grown from an acorn on the Sandringham Estate to look forward to. This is planned to take place by the children from the village in the Autumn.

Thank you so much to everyone involved.

NORMANBY & OWMBY

NORMANBY-BY-SPITAL PARISH COUNCIL NEWS

At the meeting held on July 11th 2012, all Councillors were present. 11 members of the public attended, together with CC Lewis Strange and the Clerk.

The Normanby & Owmby Against Wind Turbines group presented the Council with a lot of information they had gleaned regarding wind turbines, a petition signed by 123 residents (so far) and letters from Edward Leigh MP, riding groups and ramblers - all against Wind Turbines. The group spoke for nearly half an hour. CC Lewis Strange said he would have liked alternative sustainable energy looked into, for example - solar, heat pumps from underground sources or a digester.

The Council agreed to report to WLDC these comments, saying that they would not support any wind turbines.

It was agreed to adopt WLDC's new Code of Conduct.

The Council is pushing Highways to repair Private Lane properly as the potholes that were, have now become craters across the road and businesses down there are suffering. If you notice a pothole, bad pavements or lack of road markings, please inform both the Clerk on 01673 878148 and Highways on 01522 782070.

The next full Parish Council meeting has been arranged for Wednesday 10th October

NORMANBY BY SPITAL

Tommy and Chris sure have made an impact since taking over as landlord and chefs. After racking up more than 35 years between them in the pub and food trade they were certainly top of the list when the opportunity came about.

Tommy writes:

"These villages deserve a quality pub that not only provides drinkers a haven but where locally sourced food is served, both me and Chris cannot believe the transformation the owners have done. Back in March when we first looked at the *Bottle* it was nothing more than a run down village pub, now its an absolute delight to see a clean, well refurbished local pub. It's our intention not only to run the *Bottle*, but to make this village our home, we're going to be here for the long term so we look forward to meeting every one. We have plans to make the pub the local that all others look up to and make it a real hub of the community."

GLENTHAM & CAENBY

GLENTHAM PARISH COUNCIL

NOTES ON COUNCIL MEETING HELD ON 7th JUNE

Council matters

The recent wet weather has played havoc with the contractor's grass-cutting schedules, allowing some areas to become very overgrown indeed. Every effort is being made to catch up, and the Council expects an improvement in the weather to bring an improvement in the appearance of the grass verges and greens of the parish

The **Church clock** is still very much on the agenda; three quotes have been obtained for a complete refurbishment. It is believed that the clock is a war memorial and an application has gone to the War Memorials Trust for a grant. However, it is proving difficult to demonstrate that it is a memorial and enquiries and newspaper searches are under way. If anyone has any information, no matter how incidental, please let the Clerk or a Councillor know, it will help build a case to justify the application, which would save a lot of money.

Glentham will look quite colourful next spring; a grant is awaited for **daffodil and tulip bulbs** which will be planted at selected places. Volunteers will be sought, anyone interested in assisting with planting should contact either Martin Kuhl or the Clerk. Full details will be circulated nearer the time.

Dates of next meetings

The next Council meetings are scheduled for Thursdays 2nd August and 6th September. There is always an open forum for the public to raise any parish issues and everyone is welcome.

WELTON PATIENT AND DOCTORS ASSOCIATION

PATIENT TRANSPORT

As I am sure most people are aware, The PDA Voluntary Transport Scheme provides transport to any medical appointment including to the Health Centre, when no other means of transport are available. Could I ask all patients requesting transport to hospital, dentist, optician etc to please make a note of the driver's name and pick-up time when I confirm these to you? I know that in most cases this happens but, in the event that you need to cancel the transport on the day, you will need the drivers name to inform the Health Centre so that they can cancel the driver and avoid a wasted journey.

If anyone reading this would be interested in becoming a Volunteer Driver for the PDA please give me a call (862570) I will explain how the system works and how you could become involved.

AUTUMN FAYRE

The PDA committee have been busy making further preparations for the Autumn Fayre to be held at Welton Village Hall on Saturday 13th October starting at 2pm. Raffle tickets are beginning to sell from the various outlets who have kindly agreed to sell on our behalf. They can be bought from Health Centre Dispensary, Essential Looks Hair and Beauty, Dunholme, Taylors Pet Foods, Welton, The Paper Shop, The Green, Welton or any PDA driver. We are still looking for donations of good quality bric a brac, tombola items and items for the bottle and glass stall. This can be anything made of glass or in a glass container. We will also be accepting grocery items, either packets or tins, providing they will still be within their sell-by date on 13th October. These are for a new attraction we have planned! Any of the above can be collected by calling me on 862570 or Roy Minnitt on 860980.

We have had an excellent response from people wanting to hire tables and we now have a waiting list in case of cancellations. We have taken the decision, following a Committee meeting, not to allow any stalls selling food items other than those run by the PDA. We have stalls selling jewellery, handmade bags, paintings of both local scenes and wildlife, books, toys, games, fabrics, handmade greetings cards, Textiles, paper craft, knitted goods, Christmas items and much more so come along and get some early Christmas presents.

We will be running a 'cafe' in the Monce Room again this year so that you can take the weight off your feet and enjoy something to eat and drink before having another look around the many stalls and games.

Janet Goddard

The latest date for entries to September's Signpost is Wednesday the 15th of August at 6:00 p.m.

Whilst waiting for summer to arrive, we have taken the opportunity to plan this years influenza campaign ! We intend to hold "drop-in" 'flu clinics on Saturday 22nd September, 6th October and 20th October between 9am - 11.30am. If you are in an " at risk" group please come to one of the above sessions, no appointment necessary on these occasions. If you are unsure whether or not you qualify for a 'flu vaccination please ask at reception.

THIS MONTH'S JOKES

Say A Prayer

Little Johnny and his family were having Sunday dinner at his Grandmother's house. Everyone was seated around the table as the food was being served. When Little Johnny received his plate, he started eating right away.
"Johnny! Please wait until we say our prayer." said his mother.
"I don't need to," the boy replied.
"Of course, you do," his mother insisted. "We always say a prayer before eating at our house."
"That's at our house." Johnny explained. "But this is Grandma's house and she knows how to cook.

All Girls

When my daughter, Kelli, said her bedtime prayers , she would bless every family member, every friend, and every animal (current and past).
For several weeks, after we had finished the nightly prayer, Kelli would say, "And all girls."
This soon became part of her nightly routine, to include this closing.
My curiosity got the best of me and I asked her, "Kelli, why do you always add the part about all girls?"
Her response, "Because everybody always finish their prayers by saying 'All Men'!"

Dunholme WI

Wednesday August 8th, Jubilee Room of Dunholme Village Hall starting at 7.30pm.
The speaker will be a representative from Dennett's Ice Cream from Spilsby. There will be an opportunity to sample the various flavours that Dennett's make.
This months competition: "A Photo of Yourself Under 5 Years of Age".

Whitebone Productions
"Bane: Someone's Gonna Pay"
Starring Joe Bone

This one-man comedy with a live guitar soundtrack, follows anti-hero, Bruce Bane, a tough talking wise cracker, as he journeys through life on the mean streets of a fictional American city.

Writer and creator Joe Bone plays all of the characters bringing his comic anti-hero and tale of bloody revenge to life with just his body, his voice and a stunning live guitar soundtrack from Ben Roe.

Heavily inspired by film and graphic novels, the performance uses skilled movement and sound effects to conjure the setting, with multiple character switching to create a filmic tapestry on stage that is funny, engaging and, at times, moving.

Friday 28th September - 7.30pm
Note that this performance is only 60 mins long
Prepaid Tickets £8.50 full / £7.00 Conc.
At The Door Tickets £9.50 full / £8.00 Conc.

While every effort is made to ensure listings are both accurate and up-to-date, you should always confirm with the venue before attending an event.
