Help for Persecuted Christians

Please prayerfully consider what you can do to help raise funds to ease the desperate situation in which many of the refugees in the Middle East find themselves. So many have been driven from their homes, murdered, sold into slavery and abused just because they are Christians.

Everything we have is a gift, so please search your hearts and your homes and give generously from the wealth God has given you!!

We will accept household items in good condition but no large furniture, please call us to arrange collection or drop off.

The auction of gifted items will take place in Market Rasen Festival Hall on Saturday 12th September 2015 beginning at 11.00am.

All money raised will be distributed equally to **Barnabas Fund** and **FRRME** (Canon Andrew White's charity)

Reverend David Post has kindly agreed to be the auctioneer, offers of help would be greatly appreciated, please call us.

God bless
Jenny & Peter Atkinson - 01673 878806
Glentham Methodist Church

PS:- Perhaps I could ask you to look at Acts 2:42-47 and apply those words to us today.

Please pray for all those who were confirmed at this service. If you think you, or someone you know, might wish to explore the possibility of confirmation and find out more, please contact a member of the ministry team.

FROM THE MINISTRY

Dear Friends,

I write as the school year draws to a close and people begin to look forward to the prospect of a summer holiday or a time when the pace of life might seem to slow down a little for just a while. Meanwhile, for others, such as members of my family who farm the land, the summer months present the prospect of long hours, hard work and a watchful eye on the weather forecast.

However you might be spending the month of August I hope that you find some time for some rest at some point. (Dare I mention that as you read these words the new football season will be here!). For rest is important. We all need it. And during the month of July I took the opportunity, following the celebration of the ordination as a priest of the Revd Sue Deacon and then the confirmation by the Bishop of Grimsby of nine people from our parishes, for a day of quiet in the Wolds with God.

I was not alone. We had a leader and there were around a dozen-or-so of us present, drawn from around the county. The day consisted of a series of prepared reflections from the leader, delivered at regular intervals, and the rest of the time - apart from lunchtime - was given over to silence. The day was a gift. A time without appointments. Five hours of listening, thinking and praying, rounded off with a service of Holy Communion shared between us in the parish church next to where we met.

And it was timely. The Bible reading set for the following Sunday was from Chapter 6, verses 30-34 and 53-56 from Mark, which begins with: 'The apostles returned from their mission. They gathered around Jesus, and told him all that they had done and taught. He said to them, "Come away to a deserted place all by yourselves and rest a while". For many were coming and going, and they had no leisure even to eat. And they went away in the boat to a deserted place by themselves.' Jesus wanted the apostles to just slow down for a minute so as to reflect, to recharge and to pray. Indeed, this selection of verses omits the Feeding of the Five Thousand and all of the commotion and noise that that entailed, and it also omits that when Jesus said farewell to the crowd he took time to pray.

The month of August can, for some, offer a temporary release from the routines we encounter and rely on during the rest of the year. Perhaps it might present us with more time to spend with God.

With my prayers and best wishes to you all,

Adrian

County Council Highways Reporting System

Lincolnshire County Council have recently introduced a new online reporting tool to enable members of the public and local organisations to easily report highways related issues to them. The system is available for use at **www.lincolnshire.gov.uk/highwaysreporting**

Please use this system to report any non-urgent issues in your areas. Users can also register with the system to receive updates on any issues they have reported, and see if an issue they are about to report has already been notified.

The council would recommend using this system over some of the external reporting systems available on the web as it interacts with Lincolnshire County Council's Highways and Planning teams directly, reducing the time taken to respond to reports. They would however, still ask that any urgent reports (potentially dangerous defects, fallen trees etc) are called through to their main Highways Line on **01522 782070**.

BISHOP OF LINCOLN'S LETTER

Dear friends,

At this time of year, as the days draw out and the sunshine begins to turn the barley a golden yellow, many of us are fortunate enough to be looking forward to the prospect of a summer holiday and a break from our normal routine.

This year, however, it is inevitable that some of us will do so with a twinge of anxiety. One inevitable result of the recent appalling acts of terrorism in Tunisia, Kuwait and France is a heightened sense of our own vulnerability and mortality. For the friends and family of Carly Lovett and Claire Windass, who were so tragically killed in Tunisia, there is immense sadness as they struggle to come to terms with their loss.

These atrocities were perpetrated by a tiny minority who have a very warped and horrifically misguided view of what it means to be a Muslim, particularly during the month of Ramadan. The teaching of the Christian faith is that love is stronger than evil, and while proper justice is appropriate, revenge and scapegoating are not. It is incumbent upon all of us who follow Christ to continue to welcome the stranger among us, and to love our neighbour as ourselves.

Please hold in your thoughts and prayers all those who have been affected by these tragedies, that through the grace and love of God they may find strength and comfort in the very difficult days ahead. Pray too for the peace of our world, and for men and women of goodwill wherever they may be, that together we may be united in our work for peace and justice in the lives of all God's children

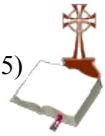

+Christopher Lincoln:

PRAYER FOCUS FOR AUGUST

This month we focus on holidays. Can we pray that those going on holiday will be safe and enjoy their time with family and friends? May they find refreshment and return rejuvenated.
Also can we remember those who, for one reason or another are not able to go on holiday. May they also find refreshment and peace in a different way.
We pray for children, again for their safety and protect them from all harm.
Let us remember those who live in homes where there is tension and unhappiness, may you be with them, Lord and may they know of your love in the midst of trouble.

Can We Love You More?

Can we love you more as time goes by?
Are these thoughts meant to reach the sky?
We need to encompass before we die.

Can our love seek new depths if we try?
Bringing an excitement, O how? We cry,
You stand and wait, and sometimes sigh.

Can our thoughts be released to intertwine?
A marriage of thoughts so wonderful to beautify,
Alongside bitter thoughts the need to nullify.

Can we love you more before the last goodbye?
To bring our love before your throne on high,
Thoughts move on to a Love that shouts, crucify! crucify!

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

This school year has been filled with many 'firsts' as we travelled along with Mrs Appleby at the helm, but she has achieved huge success in her aim to steer the school towards a new future whilst maintaining, and even strengthening those core values which have made our school such a special place to be.

Those core values were symbolised by the installation of our 'Hackthorn Way' sign earlier in the year, a project which culminated in one of the biggest highlights of the school's recent history when, just before the end of term, the Bishop of Grimsby came to 'Good Works' assembly, to find out for himself what we are all about.

Everyone rose to the occasion, tissues were in evidence as some of the children read out their predictions of what their lives would be like in the future, with some particularly touching insights into how they hoped to be remembered in a hundred years after they had gone. We should, perhaps, not pay too much heed to exactly how old those ten year olds reckoned they would feel in forty years' time!

After a bumper crop of achievements and awards (including a silver Blue Peter Badge), Bishop David then treated us to a highly entertaining version of Jesus' tale of the lost sheep, complete with sound effects!

Proceedings then moved out to the front where, in perfect summer weather, a group of pupils gave a rendition of their Hackthorn Rap, which expresses the pride which they feel in their school. This was followed by a blessing of the signpost and the Lord's Prayer, which seemed to fill the whole street with its gentle power.

You won't be able to contact us this month, but there's always the website - www.hackthorn.lincs.sch.uk

GLENTHAM PARISH COUNCIL

NOTES ON COUNCIL MEETING HELD ON 2nd July 2015

The July Parish Council meeting took place on 2nd July and the Council co-opted Cllr J and Mrs R Summers to fill the vacancies on the Council. The Parish will now not have to hold a further election in August, and it is a real benefit to the parish to have a full Council.

In the public forum the Councillors were made aware of 2 potential planning applications via Mr Simon Sharpe from Walters & Co - copies of the proposed developments have been left on the table at the back of the Village Hall for perusal, and queries will be taken by Mr Sharpe from parishioners.

Childrens' Playground - the Council have had further discussions regarding the situation with the trees and benching and it was agreed to replace the seating on the bench and review the issues with the trees over the next few months. An inspection of the playground has been carried out and a full inspection is due in August by an external contractor.

Bus Shelter - the installation of a new bus shelter now continues apace, with a site having been approved at the Village Hall. It is the Council's intention that this will be erected prior to the new academic year, subject to appropriate permissions and funding.

Defibrillator - following queries from parishioners with regard to the defibrillator, it was made clear at the meeting that the defibrillator can only be accessed in conjunction with instructions from the emergency services, hence the security on the storage box.

Dates of next meetings - The date of the next meeting will be Thursday 3rd September 2015 at 7.30pm at the Village Hall - all welcome.

WELTON FAMILY HEALTH CENTRE NEWS

INFLUENZA VACCINATIONS - It was only in last months' newsletter that I mentioned about travel vaccinations; this month we are talking about 'flu vaccinations! We are hoping to have the vaccinations delivered during the second week in September. If you think you are eligible for a vaccination, please look out for notices with dates of our Saturday clinics and if you are seeing a clinician for another reason, please ask them during your consultation. We will also be routinely offering the nasal vaccine to all children aged two, three and four on 31st August 2015. That is, children with a date of birth on or after 1st September 2010 and on or before 31st August 2013. All pregnant women are also eligible and this can be discussed with your midwife or you can attend one of our 'flu clinics. We **will not** routinely write to patients so please do not wait for an invitation - please contact Reception for more information.

DNA's (Did Not Attends) - In June, patients did not attend for 54 doctors' appointments and 89 nurses' appointments. This is a total of 143 appointments and 24 hours of clinical time. This is 6.5 appointments per day. Please try to help us by cancelling appointments as soon as you realise they are no longer required - you can do this in person, over the 'phone, by text or online.

NURSING APPOINTMENTS - We have recently been trying to recruit a new Practice Nurse, without much luck. There is a recognised shortage of Practice Nurses in Lincolnshire which makes each post more difficult to fill. As a temporary measure over the summer months, we may need to check more details with patients relating to the reason for their appointments so that we are able to book them in with the most appropriate person. All blood test appointments will be booked in with phlebotomists and not the nurses to preserve appointments. We will also be suspending all appointments for follow-up weight checks, although if you have not been seen before and feel you would like to be seen for weight management please still book in at Reception. This is only a temporary measure and we appreciate your support in this matter.

STAFF TRAINING - In order to ensure our staff and doctors remain up to date; we will be closed for Training from 1pm on Tuesday 18th August. Emergency cover is provided during this time by calling the usual surgery number (01673 862232 and selecting Option 1).

WELTON PATIENT AND DOCTORS ASSOCIATION

Goodness me, where is this year going? It's August already and we are planning our Autumn Fayre and Christmas Lunch! All available tables have now been hired out for the Autumn Fayre and, although we don't expect to have any cancellations, we will keep a waiting list just in case.

A large part of our income from the Autumn Fayre comes from the raffle and in the past 3 years we have exceeded £1000 profit, per year, on the raffle alone. We rely heavily on the generosity of those who buy tickets and those who sell tickets on our behalf but before we can start selling tickets, we need prizes! Each year I write to all major businesses in the area including shops, restaurants entertainment venues etc. Many have their own nominated charity of the year making it difficult to get together a good prize list. If anyone reading this article works for a company/business who they think might be willing to support us, please ask. Anything is most welcome from chocolates, wine and spirits to meals, experience days, vouchers etc. in fact anything offered would be gratefully accepted. Please give me a call (862570) if you can help. We are also looking for donations to the various stalls - bric a brac, books, tombola and bottles. Turn out your cupboards and drawers and, with the exception of clothing, anything you no longer need we can find a use for. If you require items collecting, please give me a call. If you are an avid cake baker we would love you to bake a cake or two for the cake stall. These would need to be brought to the village hall on the day or can be collected during the morning of 3rd October. We will be at the hall getting ready from 9am.

All monies raised on the day goes towards providing extra equipment for the practice which will be of benefit all patients and also to help support the Transport Scheme which many of you make use of.

There will be more next month about the stalls which are to be there on the day and the type of items they will be selling so come along and shop early for Christmas!

Dates for your 2015 diary:
Saturday 3rd October - Autumn Fayre
Friday 4th December - Christmas Lunch
