EPIPHANY

FROM THE PARISH PRIEST

Dear All,

This letter is usually free from mention of commerce but I wonder whether you have seen the new John Lewis television advertisement? As you may know, this seasonal, Christmas advertisement is fast becoming something of an annual event. Indeed, I gather that this year the advert had its own *première*, and The Daily Telegraph has even gone so far as to describe its annual appearance as "The two minutes that launch Christmas".

This year I viewed the advertisement for the first time on YouTube (at that time it had been viewed 3,920,016 times - I expect that this figure is a lot higher by now!) and it is memorable, as all good advertisements should be. It is also noteworthy in that, as Archie Bland, writing in The Independent on Sunday, observed, it features only one product, an analogue alarm clock, but I dare say that this extensive investment in television air-time will have the desired effect in terms of the balance sheet.

For Christmas is a time for giving, or 'thoughtful gifting' as John Lewis now puts it, but can an advert really launch Christmas? Perhaps it can. Perhaps it can put us in the mood and prompt us to reach for the shopping list. Or perhaps we might view the advert, enjoy it for what it is and then move on. Movement is a good description for Advent, the beginning of the Church's year, and a time when we might use a calendar to count the days until 'the big day'. It is a time for preparation. It is a journey. And this year John Beverley, one of our church Readers, will be presenting our churches with a book that will offer us a series of reflections, prepared by a whole host of authors from our villages, that will truly prepare us and help to launch Christmas for us all. I hope that you will read it and enjoy it.

Christmas is when we celebrate God coming among us in human form. It is such a special time. But if we are not careful we can miss all that it might hold for us. For example, on Christmas Eve, as I am preparing to go out and lead a service of Midnight Mass, there is a good chance that I will receive my annual email informing me that the Boxing Day Sales are upon us. The presents are still wrapped and yet it is as though we are on to the next thing already. Therefore, this year perhaps we might choose to dwell in the moment, to prepare our hearts and our minds, to look to celebrate the birth of Jesus Christ, and then look forward to the next step on our journey, trusting in the hope and love of God.

May you have a special time this Advent and, when it comes, a happy and blessed Christmas.

Adrian Smith

BISHOP OF LINCOLN'S LETTER

Dear friends,

At its meeting at the end of September, the diocesan synod agreed that we should move forward together as a faithful, confident and joyful diocese.

While I hope that these three things - faith, confidence and joy - will help us to shape our common life as we discern God's will for our diocese in the years ahead, they also seem to me to be very relevant for the season of Advent.

In Advent, we prepare for the great gift from God that is coming: the gift of his Son, Jesus Christ, through whom we receive redemption from our sins and fullness of life.

This gift, freely given by God, is the source of our hope and the ground of our faith. It is also a sign of God's faith in humanity, who loves us with a love that is far beyond anything we can imagine. In the life of Jesus, whose birth we celebrate at Christmas, that we see that love come down to earth and made manifest in ways that we can begin to understand.

In all the glitz and glamour of the Christmas season it can be easy to miss this

It is this faith in humanity, summed up in the birth in the stable in Bethlehem, from which we can take confidence to live as disciples of Jesus Christ, walking in his way and following his example. In him, the love of God is there for all to see. Through him, God has shown us the pattern for our lives.

May God inspire us with joy as we await the coming of his Son, Jesus Christ, and may I wish you a blessed and a holy Christmas.

KISIMUL SCHOOL

Owmby Group JPCC held their Harvest Supper on Sunday 29th September at Hackthorn Village Hall and £623.50 was raised for Kisimul School.
The money will go into the Fayre fund which is used to buy equipment or experiences for the children and adults looked after by Kisimul to enjoy. In the past funds have been used to purchase polytunnels with heaters for the gardening club, disco lights for club nights, bikes, day trips to Alton Towers, equipment for the games room, iPads and lots of other exciting things! As you can see, the money raised will be put to very good use and everyone at Kisimul is grateful for your fantastic effort raising the money at the Harvest Supper this year.

OPERATION CHRISTMAS CHILD - SHOEBOX APPEAL

Following on from last year we would like to continue helping this worthwhile cause by asking you to recycle your used Christmas Cards again.

All of the appropriate cards which you donate will be included in next year's shoe boxes, so that children can both enjoy the picture on one side & use it as a writing pad the other. (It would help greatly if you could cut off the front of the card only & place it in the collection box).

The JPCC will provide a collection box for the cards in each of our Churches, and if you are unable to place them in the box in Church, then please just hand them to any JPCC member, or your local churchwarden.

USED STAMPS FOR ST. BARNABUS HOSPICE

May we also ask you to kindly donate your used stamps to give to St. Barnabus Hospice please? A collection box will be available alongside the card collection container for this purpose.

Thank you in advance for your help.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

There is just time to let you know that we are hosting our Preschool Christmas Activities afternoon on the 3rd December from 1:30 - 2:30, which is a great opportunity for you to come and see what life is like at our school, so why not pester a parent or grandparent to bring you along?

If you are still wondering where to send your child to school next September, but can't manage to make it for the activity afternoon, don't worry, there is still just enough time left to pay us a visit before the deadline for filling in the forms in January, just give us a call to arrange a visit.

Key Stage 2 took part in a fantastic series of singing lessons recently, which culminated in them learning a 3 part song - that's 3 groups singing different parts at the same time, which takes great concentration and self-discipline! This was performed to a very appreciative audience at our Harvest Festival service. They are also learning some new carols to add to our expansive repertoire.

Our usual Carol Service will be held in the Church on 20th December at 2pm. All are welcome, so why not come along and hear some of that wonderful singing?

This year's Nativity will be on the afternoon of the12th December, call us if you'd like to come and see it.

Contact the school on 01673 860295 to arrange a visit or request a School Brochure, or visit www.hackthorn.lincs.sch.uk

BONFIRE NIGHT - TUESDAY 5 NOVEMBER

What a fabulous evening it was!

A huge thank you to everyone who made the evening such a success. To those who started work long before the evening began by collecting wood, building the fire, arranging the catering, making the various soups, and setting everything up. To our exceptional pyrotechnic team who entertained us with such an amazing firework display, and to those who gave so generously of their time and resources to help during the evening and on the following days clearing up the 'charred remains'.

Many thanks to Mr W Cracroft-Eley for allowing us to hold the event in The Park again.

Also, a massive thank you to all who came along to enjoy the evening and help create such a fantastic atmosphere ….and we were even lucky with the weather!

CONGRATULATIONS

FLO JAMES

Born November 4th 1913

On November 4th 2013 Flo James celebrated her 100th birthday.

Flo was born in Normanby by Spital, went to the local school and has spent most of her life living in Normanby by Spital.

I am sure the whole village will wish to congratulate her on this momentous occasion. Flo received a card from our Queen - as seen in the photograph - along with many other cards, flowers and other gifts.

The Parish Council are having a commemorative plaque made to honour this, Normanby's first centenarian and it will be placed, together with a tree, somewhere where everyone can see it, though the place has not yet been decided.

Many congratulations Flo, from all the Parish Councillors and the Clerk.

The only problem then is remembering it."

GLENTHAM PARISH COUNCIL NEWS

NOTES ON COUNCIL MEETING HELD ON 7th NOVEMBER 2013

The completion of the **fencing project around the children's playground** was marked by an entry in the local paper and the photo is courtesy of The Rasen Mail. Councillors Sarah and Adam Shaw, Martin Kuhl, Mike Neumann and Clerk Jeff Reynolds are shown grouped around a banner supplied by the Big Lottery Fund, which financed the installation. Parents should now be confident their children can play more safely.

Repairs to items within the playground are ongoing as necessary, mostly under guarantee

The Council has decided **to renew the Parish Plan**, since the current plan expires in 2014. Help is being sought from Community Lincs, an organisation which part-funded and helped create the existing plan. Initial discussions will take place in April and in all probability there will be a general invitation to the community to participate in the new plan's formation. Further details will be circulated as soon as agreed. The Clerk is often approached by other councils around the country who compliment the team that put together the current plan, and who ask if they can use a similar format

An application has been made to the War Memorials Trust for funds to **renovate the Church clock**, which has been identified as a war memorial. A small stone tablet on the Church tower will be re-engraved as a tribute to the fallen of World War I, the existing wording having been eroded by the weather

Dates of next meetings

The next meetings will be held on 2nd January and 6th February at 7.30pm in Glentham Village Hall. You are welcome to come and observe or to have your say.

Everyone Welcome

It's true, Christmas can feel like a lot of work, particularly for mothers. But when you look back on all the Christmases in your life, you'll find you've created family traditions and lasting memories. Those memories, good and bad, are really what help to keep a family together over the long term.

The Rudolph Song

Once upon a time there was a king in Lapland called Rudolph. He had bright ginger hair so his people called him Rudolph the Red.

Now Rudolph the Red was bad-tempered and argued a lot. He gave his poor wife, Gertrude the Green, a terrible time. No matter what she said he had to argue.

One winter's day Gertrude the Green looked out of the palace window and said, "Oh dear, it's snowing again. You'll have to clear the footpath before mother comes to tea."

"Humph!" Rudolph the Red grunted. He didn't fancy shifting snow and he didn't want Gertrude the Green's mother coming to tea.

"That's not snow. It's rain!" he argued.
"But it's white and fluffy and drifting," Gertrude the Green tried to tell him.
Rudolph the Red hid behind his newspaper and snapped, "It's rain!"
Gertrude the Green became quite angry. "Gertrude the Green knows snow, darling!"
"Yes," retorted her husband. "And Rudolph the Red knows rain, dear!"
"What a great title for a song!" Gertrude the Green exclaimed.

Christmas Crackers

Memorise these and use them instead of the ones you get in your cracker for a bigger laugh at the table.

Q: Father Christmas lost his umbrella but he didn't get wet! Why not?
A: Because it wasn't raining!

Q: How do monkeys make toast?
A: Stick some bread under the gorilla!

Q: How do you start a polar-bear race?
A: Say "Ready! Teddy! Go!"

Q: Why couldn't the sailors play cards?
A: Because the captain was standing on the deck!

WELTON HEALTH CENTRE NEWS

Following recent changes to our appointment system, we are now booking up to two weeks, one week and two working days ahead - with the aim of providing more pre-bookable appointments for patients instead of "on the day" slots, which has been the main area of concern according to feedback from patients. Obviously there is still a finite number of appointments available and once booked, you may be asked to see another doctor, book a telephone consultation, where appropriate, or offered a later appointment. Anyone wishing to see a doctor the same day for a new problem may attend the Acute Illness Clinic running between 8.30am and 9.15am daily and anyone needing urgent medical attention that day after this time will be contacted by the Duty Doctor and either advised by telephone or an appointment arranged. The reception staff are asked to ascertain an idea of the nature of the problem in order to assist the doctor in prioritising the return calls or to direct the patient to the appropriate professional or service. Whilst there is obviously no obligation to volunteer this information, without some detail callers may not be given the urgency they deserve based on individual clinical need.

We have been made aware recently of individuals contacting some of our patients to try and make an appointment, with a veiled suggestion that we have initiated this contact. The caller advises the patient that they are aware that they have a respiratory problem, arthritis etc. and offer support to manage these conditions. We would like to reassure patients that such callers are in no way connected with the surgery and neither does any information about them stem from the Practice. If anyone is unsure about the identity of a caller please contact the police or alert family or friends to assist and take great care when inviting unknown individuals into your home.

We are steadily adding self help information on our website - please use this information for dealing with minor illness etc.

Finally may we wish everyone a very happy Christmas and a healthy new year.

Sallie Stead

WELTON PATIENT AND DOCTORS ASSOCIATION

As it's almost the end of another year, I thought I would give you a very brief summary of the PDA activities during the past 12 months.

We began 2013 with 32 volunteer drivers for our transport scheme and during the past 12 months we have driven a staggering 22823 miles carrying 1462 patients to their appointments. To keep the scheme financially viable we hold fund raising events throughout the year. The money raised at these events is split between the volunteer transport scheme and for buying equipment, for the surgery, which will be of benefit to patients.

During the past 12 months several drivers have decided to 'hang up their driving gloves' and I now have 25 remaining to cover an ever increasing demand for our service. If you think that you would like to consider volunteering as a driver please give me a call (Welton 862570) There would be no pressure. Every driver has an enhanced DBS check paid for by Lincolnshire CC and all you need is to offer just a few flexible hours a month. I can accommodate retired persons (under the age of 80 as our public liability insurance currently only gives cover to that age), young mums etc. In fact anyone who would like to give something back to their community.

Our Spring Lunch raised £462.86 and the Autumn Fayre was a huge success raising the magnificent sum of £2175. The Christmas Lunch is being held this year on Friday 6th December in Welton Village Hall. At the time of writing, there are only a few tickets left at the Health Centre Dispensary. Last year's Christmas lunch raised £583. Maybe we will exceed that figure this year?

We are most grateful for the many generous donations we receive and for all the support we receive throughout the year from both patients and also from local businesses that show support by providing raffle prizes, displaying posters etc.

It now remains for me to wish you all a very Happy Christmas and a Peaceful New Year from the PDA Committee.

Rabbit Theatre
Present
"Great Expectations"
Deft, daft, delightful … and definitely Dickens!

Christmas Eve, 1803. Pip, a seven year-old orphan boy, visits his mother's grave. A frightening encounter with an escaped convict begins a series of events that will change his life forever.

Some of Dickens' most memorable characters – the terrifying Magwitch, Joe Gargery the kind and generous blacksmith, the eccentric Miss Havisham, the cold and beautiful Estella, Mr. Jaggers the pompous lawyer and Pip's wise friend, Herbert Pocket – are vividly brought to life in this anarchic and joyful telling of this glorious tale.

Using original words and speech (well, mostly!), Dave Mynne of Rabbit Theatre will take audiences on a journey featuring a 'cast of thousands' in a skilful, one-man adaptation

Mervyn Stutter
Presents
"Easy Shop Rider"
'For comedy straight from the heart, they don't come much better than Mervyn' - The Stage

Like the host of a dinner party, Merv treats his audience as welcome guests. He chats a bit, tells a few jokes, makes some pithy observations, with lots of clever comedy songs on his guitar. He's an accomplished singer and guitarist but what makes his performances so good is the intelligence and fun.

His sometimes wicked but always affectionate sense of humour brings warmth and joy to an audience that is happy to laugh both at his life and their own.

Merv has a brilliant rapport with rural touring audiences (having performed many times over the years in village and community halls across the UK). Now he's back in the region with another joyous 90 minute show of life affirming fun

Sat 15th February at 7:30 p.m.
Tickets £8.50 full / £7.00 Conc.

While every effort is made to ensure listings are both accurate and up-to-date, you should always confirm with the venue before attending an event.
