RECTOR'S LETTER

My dear friends,

A tale of three churches

St George's Church Baghdad

In September 2007, the Owmby Group of Parishes made a substantial contribution to the Church of England in Baghdad. St George's Church has now produced a calendar for 2009, and the Owmby Group is in it. St George's Church Baghdad is praying specifically for us on February 12th, 13th, 14th, and 15th. I find this an extraordinarily humbling privilege.

I know they are a bit late (because Christmas was so busy that I forgot to get them earlier), but I have copies of this calendar for sale at £7 each, which will go St George's & its work.

Stop me and buy one.

Lincoln Cathedral

At the end of last year, the Bishop of Lincoln asked me to serve on the Chapter of Lincoln Cathedral, & I attended my first Chapter meeting there in January. This does not mean that I shall be leaving the parishes in order to take up a post there with some grand title. It is simply that, since the cathedral is in a sense, the parish church for the whole of Lincolnshire, they require an ordinary parish priest on their governing body. I succeed the Vicar of Spalding in this work. So as not to encroach upon my time in the parishes, I have resigned from another diocesan committee (on which I have sat for many years, so perhaps it was time to go) in order to do this.

The body of Christ

I've mentioned two churches with buildings (and we have another 13 of our own), but there is another sense in which the Church is made up of the people who belong to it, the various limbs and organs of the body of Christ, as St Paul described us.

Such a group is always in need of new members. Baptism is the rite of entry into the church (and I'm always happy to baptise children or adults). Confirmation is also part of this, the bishop confirming what has happened to us on that earlier occasion.

We shall have a confirmation service, taken by the Bishop of Grimsby, in one of our churches (I don't yet know which one) in November, and there will soon be confirmation classes both for young people (about 10-14 years) and also for adults. If you are interested in being confirmed, please contact me (by email, phone or letter) between now and Easter.

Which reminds me

Lent starts this month. Ash Wednesday is on February 25th. There will be services of Holy Communion with Marking with Ash at 10.00 am at Hackthorn & at 7.00 pm at Ingham. I write this at the end of a self-indulgent Christmas. Lent is a good time to get body and soul into training again. Even if the gyms are closing down, even if you now do your keep fit at home, Lent is the time and church is the place for your spiritual keep fit.

See you there.

God bless us all as we seek to be part of his living body, whether in Baghdad, Lincoln, or the villages of the Owmby Group and Springline parishes.

Peter Godden

ST. PETER'S CHURCH GLENTHAM

We are very pleased to announce an offer of £60,000, which is 75% of the money required for repairs to the church roof from English Heritage. The roof has been leaking for many years.

We are most grateful for all the hard work by Sally Mundy in obtaining this grant. Without her we would not have got this far.

We are now trying to raise the other 25% to carry out the work required on the roof.

We will be actively fundraising and look forward to considerable support from the community, especially the people of Glentham & Caenby.

MIKE ANDREWS

Mike retired early from work in 1999 due to back problems. He also at this time had to give up Golf which was his number one sport, playing at Market Rasen Golf Course. Never giving in he was a member of Ingham Bowls club, being made up to Captain and taking the club through the various leagues to the top of the divisions. He learnt to play the classical guitar at night school. He was a co-opted member of the Millennium Committee - quizzes and raffles being his forte (no one escaped him), he was Treasurer of the Social Club -and if anyone wanted to spend money they had to get past him. He delivered Signpost around the village for many years. He was a village person attending Church, and supporting functions within the village.

Mike was a wonderful Husband and devoted Step-Father, he fought his illness bravely, only occasionally getting him down, but on the whole his glass was always half full. He will be greatly missed.

NORMANBY-BY-SPITAL PARISH COUNCIL NEWS

The last meeting took place on November 19th 2008 with a full compliment of Councillors, PCSO McFaul, CC Lewis Strange and 3 members of the public and the Clerk.

Brian Heelis wished everyone a Merry Christmas and a Happy New Year. PCSO McFaul reported on various crimes around our village and suggested a polite notice on the wall outside the Post Office, requesting drivers do not park their cars on the pavement. Lewis Strange reported that a new library service has started up, mainly aimed at the disabled as the small mobile library calls direct to the door and he also passed on seasons greetings.

It appears the work carried out to stop water ponding along parts Main Street has been reasonably satisfactory, work has commenced to re-open Footpath No 3 (at the end of Chapel Lane), alteration work at the school will start soon, nothing to report from ONSET and there were no outstanding planning applications to date at this meeting.

A long discussion followed regarding the situation of the Village Hall Trust and it was agreed, in conjunction with Owmby Parish Council, how find out the best way to proceed. Brian Heelis has agreed to be the Internal Auditor for 2008/9 and in due course Cllr Jeannie Fortnum will take over as Financial Officer to the Council.

Hopefully a club for youngster will start up - as long as there are enough volunteers helpers.

Cllr Ken Green has agreed to collect the free trees, which have been requested by some of the villagers, from Horncastle.

Please try to be considerate when parking your car - do not park on any pavements (especially outside the Post Office), do not park across someone's drive and please remember that if you have to leave your car outside on the road way over night, please park on the correct side of the road. Please clear up after your dog(s) if it fouls the pavement or grass verge and please do not drop litter. All in all, lets try to be just perfect!!

MADGE HARRISON – OWMBY BY SPITAL

The family of the late Madge Harrison would like to thank everyone for their sincere messages of sympathy on their sad loss and also for the very generous donations to St.Peter & St. Pauls Church, which amounted to £386. Also, thank you to the Rev. Peter Godden for his comforting service, and also to Mr. Geoffrey Batt who played the organ.

ST.PETER & ST PAUL OWMBY CHRISTMAS FAYRE

It was a very successful afternoon at the Christmas Fayre held in Owmby Church, last November, and was very busy and well attended. There were many different stalls to browse over but the Sunday Special had their own stall, and was an amaze of different toys, which proved to be a hive of business all afternoon. Many thanks to everyone who helped, donated, and purchased, to this occasion, which raised the amazing amount of £528.81.
Thank you again Avril

Councillor Initiative Grant is to be applied for to provide paving slabs round the noticeboard on the High Street.

Grants for the Playpark Refurbishment have now been received and it is anticipated that work will commence after Christmas.

A full set of draft minutes are posted on the noticeboards at the Village Hall and High Street. The date of the next Parish Council meeting is 12th February in the Village Hall at 7.30pm.

THE GLENTHAM SINGERS

The Christmas concert this year was in two distinct parts. The first was made up of carols, anthems and solos with a Christmas theme, the second contained songs and poems from the Victorian era – the singers being appropriately dressed – which, with much audience participation, was enjoyed thoroughly by all. £282 was raised and donated to S.T.R.U.T. Many thanks to all who gave their support.

At each rehearsal during the year the singers pay £1 each to cover the cost of music etc. resulting this year in an excess, which enabled them to donate a surprise gift of £100 to St Peter's Church and £100 to Glentham Methodist Church for their funds.

The next concert will be at South Kelsey Methodist Chapel on Good Friday, 10th April 2009.

If you would like to join the Glentham Singers please telephone Margaret on 01673 878004

ST PETER'S GUILD

A very successful coffee morning was held at Prospect House with Mervs' Christmas decorations setting the mood for the festive period. Two Santa Claus were there to greet the participants and the train with its' route around the Christmas Tree kept the youngsters merrily occupied. Many thanks to all who helped by attending and by donation for raising the sum of £230.

ROSE BOWL QUIZ

The combined Rosebowl Quiz and Christmas Draw was as usual very well attended . There was a wide range of prizes presented in the Draw. The quiz being won by the 'No Chance' team closely followed 'R.T.S' and 'the Sixers'. The wooden spoon was presented to 'The Spoon Carriers' obviously not the most optimistic team of players. Nevertheless a very social night enjoyed by all.

HACKTHORN C. OF E. PRIMARY SCHOOL

We welcomed three new pupils into the ranks at the start of term and how interesting it was to see how much the 'old hands' who have been with us since September have grown. It is always a pleasure to see how readily they take on the responsibility of helping their new colleagues settle in to school life.

As you may already know, Malvern playgroup has now re-launched as 'Welton Pre-School' and we are delighted to have been invited to work more closely with them in the future. These links between all educational establishments are becoming increasingly important and we wish them every success.

Year 6 went off to William Farr School to view the Anne Frank exhibition, which was a very thought-provoking experience for all of them as they imagined what life must have been like for someone close to their age in such difficult circumstances.

In order to shake off any 'Winter Blues' , Key Stage 1 have agreed to swap classrooms with Key Stage 2 after their dance lessons so that everyone can have a chance to learn some moves indoors. All of which serves to remind that we will very soon be launching our Healthy Schools programme, watch this space …

SPRIDLINGTON VILLAGE HALL NEWS UPDATE

Several events have been held at the village hall since the end of October 2008, all of which have been enjoyable and well attended. The Quiz night held on 1 November, with the décor from the children's Hallowe'en party still in place brought in £210 for village hall funds. The Christmas Supper on 13 December, a combined event with St Hilary's Church, was enhanced by an enormous Christmas tree donated by Robert Cox and a great selection of food provided by Spridlington residents. The hi-light of the evening was an inspection of our new extension sporting two indoor toilets built by Simon Marris, thanks to grants received from WREN Waste Recycling Group and Lincolnshire Community Grants Scheme. The proceeds from this event and the Christmas Hamper raffle raised £308 each for village hall and church funds. Many thanks to all those who helped to make the evening a success. The raffle prize winners were;Liz Clough and Penny Barton (hampers) and Barbara Grey (cake).

The ramp for disabled access to the toilet extension still needs to be built, on completion of which our opening event for the project will be advertised in the Signpost, so keep a look out for this.

CHILDREN'S CHRISTMAS PARTY

The Children's Christmas party on 20 Dec was great fun, and everyone enjoyed the visit by Santa. As usual, June and Mel did a great job with the organization and games for the children.

CAROL SINGING

The Carol Singing in Spridlington in December was very successful with the sum of £150.00 being collected for Gainsborough Cancer Care. Thank you so much to all the brave souls who turned out on the evening, to those very kind people who provided hospitality on route but mostly of course thanks to those individuals who gave so generously. A letter of thanks has been received from the charity for the donation and support.

LINCOLNSHIRE POLICE LAUNCH CRIME MAPPING

Communities across Lincolnshire now have access to the latest local crime information through a new interactive crime mapping website.
"www.lincs.police.uk"

Accessible via the front page of Lincolnshire Police website, the map provides an opportunity for you and our communities to see where crime has happened; make comparisons with other areas and learn how crime is being tackled by your Neighbourhood Policing Team. Using interactive mapping technology and Lincolnshire Police crime data, the maps show crime at ward level.

It enables you to find out whether crime has risen, fallen or remained the same compared to the same time last year. It also shows whether crime levels are above average or below average compared with the rest of the force area.

Visitors to the website can enter a village, town or postcode and be taken directly to the ward it relates to. Deputy Chief Constable Neil Rhodes, ACPO lead for Crime Mapping said "for the first time our communities can now view crime statistics for the their neighbourhood on an interactive map and see crime rates for the past 12 months. The force has recently signed up to the Policing Pledge, which contains clear commitments for all forces and informs the public of the standard of service they should expect and gives communities a stronger voice in setting local priorities. Crime mapping is part of this commitment and will strengthen community engagement" Lincolnshire Police has collaborated with the other East Midlands forces in taking a regional approach by providing links to bordering police forces crime maps and information. This will enable our communities to gain further information and hopefully reassurance, by being able to compare their wards or neighbourhoods with adjoining wards across force boundaries.

Crime prevention talks. If your group or organisation would like one of us to pop along and give crime prevention talk in 2009, please contact me at Welton Police office.

WELTON HEALTH CENTRE NEWSLETTER

We are pleased to announce that we have been successful in bidding for funding for new services for the next twelve months which we aim to commence within the next few weeks. These include a chiropody service for patients over sixty five years old and who fall outside the remit of the NHS service – e.g. those with mobility problems and have difficulty cutting toenails. A weight management clinic to be held on a Friday afternoon by our Practice Nurse in the surgery for patients with a chronic disease (e.g. heart disease, diabetes etc) who have difficulty reducing their weight and we are also hoping to secure the services of a practice based Dietician to assist patients with either weight or eating problems. Other initiatives include the purchase of a computerised system in the waiting room to enable individuals to enter certain information directly into their medical records and at the same time take blood pressure and weight readings; new equipment to be used for examining eyes in diabetic patients and computer based programmes for patients to use in the surgery for helping to deal with depression (called 'Beating the Blues') Further information regarding these developments will be available in the surgery very soon.

We hope to start contacting certain patients by text messaging within the next couple of months to remind of appointments / certain results etc. This will be by agreement with the individual and it is very important that we have current mobile telephone numbers on file to enable this system to run smoothly.

Dispensary staff report an increase in the amount of direct telephone calls to order repeat prescriptions – we would be grateful if patients could use the appropriate option on the telephone system to ring through their medication requests and allow queries to be dealt with on the direct dispensary line.

The Dept of Health is sending questionnaires to patients regarding service they have received from their General Practitioner. It would be very helpful if anyone receiving these could complete and return them as requested – our performance is measured by the number and content of these responses. Many thanks.

Sallie Stead

HEMSWELL CLIFF PRIMARY SCHOOL

Happy New Year to all!

As we look forward to all that 2009 will bring, we still have lots of achievements to celebrate from 2008.

We have achieved **Healthy School Status,** which is a great achievement in a year.

We have achieved the **Active Mark Award** for the second year running.

Our Singing Club took part in the Young Voices Concert at Sheffield Arena, to help raise money for Click Sargeant. Which was a really enjoyable experience!

Our sponsored skip raised £418 to be shared between the school and The British Heart Foundation.

Thank you to all who supported our Christmas Fair, the children raised £225 with their products and games from Industry week. Friends of Hemswell School raised over £200 with their stalls and activities.

You can now also keep up to date with our newsletters on our website: http://www.hemswellcliff.lincs.sch.uk/

If you would like to know more please contact the school on 01427 668383 or e mail enquiries@hemswellcliff.lincs.sch.uk for further information or to arrange a visit.
