## LETTER FROM THE MINISTRY TEAM

Due to unforeseen circumstances, the letter from the Ministry Team is not able to be published this month. Normal service will resume in March. As a replacement, I am pleased to bring back an old favourite - Thought of the Month - I hope you enjoy it.

## THOUGHT OF THE MONTH

Once upon a time there was a farmer who had an old mule. The mule fell into a deep dry well and began to cry loudly. Hearing his mule cry, the farmer came over and assessed the situation. The well was deep and the mule was heavy. He knew it would be difficult, if not impossible, to lift the animal out.

Because the mule was old and the well was dry, the farmer decided to bury the animal in the well. In this way he could solve two problems: put the old mule out of his misery and have his well filled. He called upon his neighbours to help him and they agreed to help. To work they went. Shovel full of dirt after shovel full of dirt began to fall on the mule's back. He became hysterical.

Then all of a sudden an idea came to the mule. Each time they would throw a shovel full of dirt on his back he could shake it off and step up. Shovel full after shovel full, the mule would shake it off and step up.

Eventually, exhausted and dirty, but quite alive, the mule stepped over the top of the well and walked through the crowd.

A great attitude. A great way to approach life. Shake it off and step up.

Too often we hold on to what has happened to us. We hold on to it for a week, a month, even years. We cannot shake it loose from our memory. It eats away at us and steals our joy, happiness and peace of mind. The past hurt can create feelings of bitterness, resentment, anger and revenge. We keep allowing these emotions to be thrown on our backs and if we do nothing, we will be buried deep in the well. Walls will be built in our relationships. We will avoid each other and the cold war begins.

But, we have a choice: keep it inside and embrace the hurt or shake it off and step up.

Give it a try. Shake it off and step up. Words that have been said or actions that have been done, shake it off and step up. Let it go. Whatever it is: a rude comment, a past mistake, being ignored, we can stew over it all week. It occupies us all the time. Too often we nurse hurts, we keep them alive inside and go over them time and time again; not only stewing from them, but now chewing them over and over until it gets us sick. Too often we rehearse hurts, tell everyone what has happened to us.

The cure is to accept what has happened, try to make sense out of it, learn from it, then shake it off and step up. When you let it go you feel free and you are no longer buried in the well. Once you are on your feet again you can take some action. You decide where you want to grow in life, the direction you want your life to take.

You decide whether you will allow the hurt to make you a bitter or a better person. Learn from it. Emerge stronger.

**If you have a story you think would be suitable for "Thought For The Month", please send it to the editor.**

# HACKTHORN & COLD HANWORTH

## HACKTHORN C. OF E. PRIMARY SCHOOL

It is always reassuring, after the great excitement in the build-up to Christmas and the holiday itself, with all its indulgence and exciting presents, to find that our pupils, far from having forgotten everything, actually return refreshed, and with renewed enthusiasm for learning!

One regular event on our calendar which the children always look forward to after Christmas is the weekly visit to Witham Hill for gymnastics. Key Stage 1 get to go first for 6 weeks and are already showing some wonderful progress. It is great for the ones who have been before to be able to look back at last year's pictures and see how much progress has been made.

Key Stage 2 had a historical adventure recently when they paid a visit to Gainsborough Old Hall. The trip is very interactive and really helps to give a vivid idea of what life was like in the olden days. Not least the temperature! Thankfully the Tudor costumes they were given to wear helped to keep them warm during the morning.

Thanks again to the Friends of Hackthorn School who funded a visit to the LPAC for the whole school to see 'The Lion, The Witch and The Wardrobe'. Everyone had a great time. The Friends are busy organising a Fashion Show which will be held at Dunholme Village Hall at 7pm on Thursday 23rd April. This promises to be a great event, if previous shows are anything to go by, so please make a note in your diaries and come along.

We shall be holding an Easter Activity Afternoon for pre-schoolers on Wednesday 28th March from 1:30pm until 2:30. This is an excellent opportunity for all who are exploring their options for September 2019 to discover what our school is all about. Our pupils always look forward to welcoming all who attend these sessions, which are always very popular. We have had record numbers attending recent sessions so please book early to avoid disappointment.

We also want to remind everyone about our special 150th Anniversary celebration which will be taking place on July 18th. If you are interested in helping out in any way we'd love to hear from you.

Contact the school on 01673 860295 to arrange a visit or to request a School Brochure or visit our website at www.hackthorn.lincs.sch.uk

### NORMANBY BY SPITAL PRIMARY SCHOOL

Term 3 at Normanby School is now well underway. We are so pleased that the children are approaching their new topic areas with such enthusiasm. They continue with their weekly ukulele lesson and Spanish lesson alongside all the other exciting subjects. We are also pleased to be offering after school activities to include board games, football, well-being and recorders.

At the end of term 2 we said goodbye to 2 members of staff who have worked hard as our midday supervisors after years of being at the school. Many thanks to Christine Azhar and Diane Harrison for their commitment to our school. As a result though, we welcome Louise Carter and Alex Cottrell to our team. They have settled into their roles very quickly and we are enjoying having them on board. We have been without a kitchen for a few months now, but are pleased to say that work will commence on it over the half term. It will be great to have the extra space and an area that can be used by the staff and the children again.

We have had one of our busiest years in Busy Bees this year, it has been great watching the youngest children in our school develop and grow in confidence and socially and build up relationships with older children in the school. If you have a pre school child who is coming up to the age of 3 years, please feel free to phone up and arrange a visit. The term after children are 3 years of age they are entitled to 15 hours free childcare a week, or 30 hours a week if both parents are working. You can contact us on 01673 878216 and ask for Jacqui.

## OWMBY BY SPITAL PARISH COUNCIL NEWS

Minutes of the Council Meeting held in the Parish Church on 12th November 2019.
**PRESENT -** Cllrs G. D. Crompton-Howe (Chairman); S Carter, D Mellor, I Brooke, D Leah and the clerk.

**COMMUNITY FIELD UPDATE** - It was unanimously resolved to approve the new committee members Jamie Marshall and Jeff Summers to the community park committee. It was noted that Jeff Summers is not a resident of the parish (as per terms of reference) however he has supported the park from the outset and is a well-known and active figure in the community with good connections within WLDC.
Cllr I Brooke provided a detailed report from the community fete which had been a great success. The fete is planned again for next year on 13th September 2020. Unfortunately a race night organised to raise funds has had to be cancelled due to lack of ticket sales. Quotes for grass cutting have been received. Recommended quote to be taken in to account when estimating the precept. The CPC are considering treating the benches in the future and are currently considering fencing off the play area.

**NEIGHBOURHOOD PLAN UPDATE** - A report received from Tracey Firth, Neighbourhood Plan group, was read out. Currently the neighbourhood plan is at a standstill due to Normaby by Spital Parish Council's decision to no longer partake. The NP group have a petition regarding Normanby pulling out which has been signed by over 100 people and will be presented to Normaby Parish Council.
Owmby Parish Council stated that they wish to continue with the neighbourhood plan process and the council's preference would be to continue in partnership with Normanby. Disappointment **was** expressed that Owmby were not consulted by Normanby before they made their decision to pull out. It was reported that Normanby have not paid Owmby for the half share of the cost incurred for Survey Monkey. Clerk had written to Normanby Clerk who has requested invoices and further details. Cllr Brooke to provide the invoices.

**PROVISIONAL DATE AND TIME OF NEXT MEETING** - Thursday 16th January 2020 at 7.30pm

**Full minutes** of the meeting, including financials, can be viewed on the Owmby Group website at https://owmbygroup.co.uk/OBSPC

## Netball News

William Farr Students, Mia Bottomley, Rosie Beeden and Poppy Watkins (Centre front) were invited to attend a Loughborough Lightning U15 hub session at the school before Xmas - all three thoroughly enjoyed the experience of training with these talented players, working on attacking principles.

Meanwhile the success of our Welton girls continues with Ela-Lenka Wharton recently selected for the County U15 performance academy! Congratulations on your achievement.

Four of William Farr's U19 squad will be travelling in half term to face some International opposition! Georgia and Ella Charles and Alice Lawrence are flying to Gibraltar with the Aspire Netball Elite Plus squad to train with and play against the Gibraltar and Israeli International Junior squads, meanwhile Ella Thornton (and local girls Ruby and Lola Hutchinson from Ingham) will be travelling to Dublin with the Aspire Netball Elite/Advanced academy squads to face the international Netball Ireland U17/U15 squads. We wish you all the best of luck and look forward to hearing the results. What an amazing opportunity!

If you didn't manage to to get tickets for any of the International matches played in January 2020 - then the Vitality Netball Super League Season opener is being played on 22nd February 2020 at Birmingham Arena. All 10 teams will play in an action packed day of netball all in one venue as mentioned in last month's News.

For tickets:- https://www.englandnetball.co.uk/vnsl-season-opener-2020-tickets-on-sale/

Matches will also be shown on Sky Sports Mix.

Nigel is a very experienced guide at the castle and with its long history this is guaranteed to be an interesting and informative talk. So do come along to the library and hub on Tuesday 25th February at 2pm, all are welcome to find out more about one of the County's historical treasures.

We are also continuing our ever popular CoderDojo meetings encouraging coding for 7 - 17 year olds in a relaxed and fun group. The dates in February are Thursday evenings 13th and 27th (note a change of weekday) from 6 to 8pm. More details are available by contacting us at Welton.uk@coderdojo.com or by an internet search for CoderDojo and entering Welton as the location when searching for a Dojo.

Our extended opening hours continue to include Saturday mornings, we are here at Manor Park Sports Pavilion LN2 3PA for computer and printing services in addition to a full library service and a good selection of second hand books at very reasonable prices - 20p for a paperback and 50p a hardback, all sales towards maintaining the library facility.
