LETTER FROM THE MINISTRY TEAM

The summer holiday season is nearly upon us: traditionally a time for rest and recuperation from our day jobs. A break from the pressures and demands that surround our everyday lives through the ever-instant flow of news through the internet, the ever present and posting of all sorts on social media. Mobile phones and other modern technology makes us accessible at any time of day and night.

Just recently I spent a few days away, during which my time was taken up in a very positive way but which stopped me from watch/listening to the news, looking to see who had posted this and that on FB. When I got back home I hadn't really missed anything - the world was still going round, negotiations over Brexit, the summit between North Korea & the USA was going ahead, twitter and FB were still working. Of course, we need to understand what is happening in the world around us but we also need time away.

Holidays give us the opportunity to set time aside and away from the normal activities associated with work. It hasn't always been so - holidays as we know them are a fairly recent introduction. In the 19th century time away was for those who could afford it, people didn't get time off work apart from Sunday - the original holy day. Given to us as one of the 10 commandments Moses received from God on Mount Sinai: 'you shall keep the Sabbath holy. For six days you shall work but the seventh day you shall rest.'

The word holy means "set apart." God is holy. Christians are called to be holy. A holy day, then, is a day that is set apart to focus on the things of the God. There are holy days mentioned in the Bible, and as the church grew important days were kept as Holy Days and would include Christmas, Lent, Good Friday, Easter, Pentecost. A time set aside from everyday activities to worship God. These and other holy days continue to be observed in the Christian calendar but over time the concept of 'holy days' has developed into the 'holidays' we know today and it's only as recently as the mid-20th century that people were entitled to a week's paid holiday.

Schools had long 'summer holidays' for the children to help with the harvest in the fields which my mum often recalls. As a child I remember the summer holidays seem to go for ever with long warm days and what fun were those days spent at the beach burying dad in the sand until only his head and toes peeped out! Our family holidays have ranged from camping with young children and the freedom of spending times outdoors to holidays being a time for the two of us to explore somewhere new, a time to relax, read, and generally do not a lot! This year most of our holiday will be taken up with a visit from the grandchildren giving their parents a well-deserved break.

In a world where there are many pressures on our time and how it is spent, the way we approach our holidays may be changing but what doesn't change is our need to get away from it all. How we holiday will be different for each of us depending on our stage in life and our tastes so whether you are packing some books, walking boots, swimwear or bucket and spade may your holiday be one which gives you the opportunity to take time out and to enable your inner batteries to be recharged.

May God bless us all

Sally Turnbull

PS. Visitors coming and want to organise a trip to the Cathedral? The Owmby Group has two complimentary passes for the use of parishioners. This entitles you to free admission during normal opening hours and excludes special events. If you would like to use them please get in touch with.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

This year's Maypole celebrations were a triumph, not least because the spell of settled, if not always warm and sunny, weather beforehand meant that there were far more opportunities for practice and rehearsal than in previous years. This year, as an added bonus, we had some VIP guests in the form of those residents from Drover's Call care home who have been 'pen pals' to our Key Stage 2 pupils. The children have thoroughly enjoyed reading their correspondence and the afternoon provided a great opportunity for everyone to meet up and get to know one another. This year the children also performed a variety of folk-style songs such as 'Cockles and Mussels' and My Bonnie Lies Over the Ocean', which also went down very well.

The icing on the cake was the staggering £613.40 which 'The Friends of Hackthorn School' raised for school funds by serving refreshments and selling raffle tickets during the event. We are extremely grateful for their efforts, as this has enabled us to purchase a new sound system to further enhance our school performances.

Looking further ahead, FOHS have been busy organising a 'Hackthorn School Car Treasure Hunt' (which will take place around the local area. This is due to be held on Saturday 29th Sept at 2pm, tickets available from Welton Paper Shop.

July sees a lot of exciting events for the children, for example 'Move Up Day' is always a big event, as everyone gets to try out being a year older for the day while Y6 disappear off to the 'big school', which leaves a space for the new year's reception children to come along and be looked after by this year's, now very grown-up, group.

Lots of sporting activity this term too with our own (weather permitting) Sports Day taking place on the 12th. There will also be the Centurion Sports Festival at Sturton Primary School on the 17th, towards which everyone has been working very hard.

Don't forget, the term will be rounded off, as ever, with our emotional farewell Leavers Service at the Church on the 20th July at 2pm. All are welcome, although you are advised to get there in plenty of time if you would like a seat in the church as this service is always extremely well attended.

Contact the school on 01673 860295 to arrange a visit or to request a School Brochure, or have a look round our website at www.hackthorn.lincs.sch.uk.

NORMANBY & OWMBY

NORMANBY BY SPITAL PARISH COUNCIL NEWS

The Annual Parish and Annual Parish Council meetings were held on Wednesday 23rd May 2018 at 4 Field Lane.

All Councillors and the Clerk were present and 2 members of the public. Apologies were received from the Police.

At the Annual Parish Meeting, the Chair reported that very little seemed to have been achieved during the year, though a lot of work had been done behind the scenes.

A discussion on the reasons little had been done to the field donated by Mr Marshall last year followed, but now the Terms of Reference have been ratified by both Owmby and Normanby Parish Councils, the committee feel they can move forward. The Neighbourhood Plan is also progressing, though it could take up to another two years for it to be complete.

At the Annual Parish Council Meeting, which commenced at 7.50, Cllr Roy Bellamy was re-elected Chair and Cllr Mrs Linda Houtby was elected as the new Vice-Chair.

The Councillors confirmed the members of the Community Park Committee.

The Annual audit was approved and then sent off to the external auditors. There is a balance of £4,971 in the current account.

It was agreed not to support Owmby's decision to cull the rabbits and moles in the cemetery. We are still trying to agree with Owmby the cost of repairing the uneven path in the cemetery.

Nadine Fox (Clerk)

COMMUNITY FIELD

The Committee has been reformed due to compliance rulings and is now back on track.

Thanks to the generosity of Paul Arden of Arden Farms and Stephen Fox of Fox Owmby, ground works on flattening the field will soon be underway. Once the field is in a usable condition we will move on to further stages of providing a useful addition to the amenities of the villages.

Should there be any willing volunteers to join the committee, you will be most welcome. Please contact Keith on 01673 878947

NORMANBY BY SPITAL PRIMARY SCHOOL

A HUGE congratulation to our Y2 pupils and Year 6 pupils who all completed their SATs tests last term. They showed amazing determination throughout and enjoyed an afternoon of bouncy castle fun as a treat. The Year 6 children particularly enjoyed their SATs and asked if they could do some more!!! Well done and thank you to the teachers for making them as stress free as possible for the children.

The last term of the academic year is always a busy one. It was kick started with the youngest children of the school going on a day trip to Woodside Wildlife park. Not only were they lucky enough to handle snakes and lizards, they learnt about various animals habitats, what they ate and met some endangered animals. Thank you to Woodside Wildlife park for making it such an enjoyable day for the children.

We have started our swimming lessons with our Year 2 - Year 6 children and have been very impressed with the level of swimming we are seeing and the children's love for water. The children are constantly aiming to achieve that next step. Well done to them all.

As I write this, I am listening to the children enjoying a Samba workshop run by “Louder than Life” and Lincolnshire Music Schools Service. It sounds amazing and the concentration coming from the children is incredible. We can't wait to attend the World Record Breaking attempt at Lincoln City football ground for the largest Samba gathering later in June.

Thank you so much for those members of the community who came and shared all their memories of being at Normanby School at our exhibition. It was great to listen to so many interesting stories. A big thank you to Ken Green and Andrew Kirk for sharing their photos, school books and artefacts that they have saved over the years.

Don't forget, our ever popular pre-school is now open full-time. Please ensure that you make enquiries as soon as possible to see if your preferred sessions are available ready for September. They are booking up fast!

If you are new to the area or are considering your child joining our school, please feel free to ring the school and book a time to come round, our doors are always open and we would love to meet you. Call the school on 01673 878216.

FLIX IN THE STIX

Flix in the Stix is back for a night at the movies, with another top notch title being shown on the big screen at Glentham Village Hall. Screening on **Wednesday 4th July** will be **'Early Man'** (PG). **Doors open at 7:00pm**. Movie starts at 7:30pm

Early Man is the new prehistoric comedy adventure from four-time Oscar-winning director Nick Park and Aardman, the creators of Wallace and Gromit and Shaun the Sheep. Shot in Aardman's own distinctive style, the film is set at the dawn of time, when prehistoric creatures roamed the earth and tells the story of courageous caveman hero Dug (Eddie Redmayne) and his best friend Hognob, as they unite his tribe against a mighty enemy, Lord Nooth (Tom Hiddleston), and his Bronze Age City to save their home.

Each ticket will be £4, half of which is donated to the village hall committee or parish council for use within the venue or local community. Blueprint: Film Foundation are a non-profit organisation and all other box-office proceeds will be put towards running the project. Food and drinks will also be available, with all proceeds going to the local village hall committee.

For more information about the film programme, visit www.flixinthestix.co.uk. You can also stay up to date by liking Flix In The Stix on Facebook at fb.com/flixinthestixlincolnshire or by following them on Twitter @FlixInStix.

WELTON FAMILY HEALTH CENTRE NEWS

SURVEY - Earlier in the year the practice conducted a survey in line with the National NHS England survey. The results were collated and discussed with the Patient Group (PDA) on Thursday 7th June 2018. The results were positive and an improvement on the 2017 National Survey which was encouraging to see. Thank you to all the patients that supported the practice by completing the survey. The full report and results are available on the practice website and in the waiting room.

DNA - In June we had 36 patients fail to attend for their GP appointments and 91 patients fail to attend for their nursing appointments. This is 21 hours of appointments in one month, which equates to 6 appointments per day. Please try and let us know if you are unable to make an appointment, even if it is short notice, as in most cases we can re-book it with another patient.

HOSPITAL APPOINTMENTS - For patients that need to ask questions about their hospital appointments, please could we ask that you contact the department you are attending directly via the telephone number on your appointment letter.

HEALTHWATCH - The Practice welcomed Healthwatch to the surgery on Wednesday 30th May 2018. They came and spent the morning speaking to patients about their views on the surgery and healthcare in general. Thank you to any patients that may have participated in this.

STAFF TRAINING - The surgery will be closed for staff training from 1pm on Tuesday 17th July until 8am on Wednesday 18th July. When considering the staff training afternoon, please could we ask that you order any medication with as much notice as possible to enable us to meet the tight deadlines that we face. A minimum of forty eight working hours' notice is required please.

WELTON PATIENT AND DOCTORS ASSOCIATION

First I would like to share with you the excellent news that the Welton PDA has been selected as winners in the Community Group category for the Lincolnshire County Council Good Citizens Award. I understand there is to be an article with photographs in the July edition of the County News. By the time you read this the presentation will have been made at the Lincolnshire Show on 21st June. We are delighted that all the hard work of the PDA has been acknowledged and judged to be worthy of county recognition!

Our next event will be the Autumn Fayre on Saturday 20th October. I am still actively trying to obtain raffle prizes from businesses and also housing developers building in the Health Centre practice area. I am hoping to get the tickets printed and on sale by the end of June.

We will be having all the usual stalls and games plus a few new ones. If anyone has anything they could donate to bric a brac, books, tombola or bottle and glass stall (not necessarily alcohol) Please give me a call if you have anything you need collecting.

We will be hiring out tables for £10 each for anyone wishing to sell their own items. We reserve the right to refuse a table if the sales items are in direct conflict with a PDA stall and we will endeavour to get a good mix of stalls. If you want to hire a table please give me a call and, nearer to the date, we will confirm your request.

Could I please remind all patients that the correct procedure for booking transport is through the Health Centre? This avoids messages being left on my answerphone when I am away and transport being missed. Could I also ask that you give as much notice as possible? It's easier to cancel a transport request that to sort something out at the last minute.

Dates for your 2018 diary
20th October - Autumn Fayre
7th December - Christmas Lunch

If you require any further information on any of the above don't hesitate to give me a call (862570).

THOUGHT FOR THE MONTH

A sick man turned to his doctor as he was preparing to leave the examination room and said, “Doctor, I am afraid to die. Tell me what lies on the other side.”

Very quietly, the doctor said, “I don't know.”

“You don't know? You’re a Christian man and don't know what's on the other side?”

The doctor was holding the handle of the door; on the other side came a sound of scratching and whining, and as he opened the door, a dog sprang into the room and leaped on him with an eager show of gladness.

Turning to the patient, the doctor said, “Did you notice my dog? He's never been in this room before. He didn't know what was inside. He knew nothing except that I, his master, was here, and when the door opened, he sprang in without fear.

I know little of what is on the other side of death, but I do know one thing; I know my Master is there... and that is enough.”

If you have a story you think would be suitable for “Thought For The Month”, please send it to the editor.

BRAIN TEASERS

1 - Change the position of just one of the words below so that all the words are in an alphabetical sequence:
llama phoenix hyena alligator beaver elephant tortoise antelope

2 - A basket contains 5 apples. How can you divide them among 5 people so that each one has an apple and one apple stays in the basket?

3 - The captain of a big ship was telling this interesting story: "Once I saw two marines standing on the opposite sides of the ship. One was looking to the west and the other one to the east. And they saw each other very well."
How can that be possible?

4 - I have keys without key locks. I have space without rooms. You can enter but you cannot go outside. What am I?

5 - Early one evening, Sherlock Holmes was in his house reading a book. All of a sudden a rock came crashing through the window, breaking it. Holmes got up and looked out just in time to see three neighbourhood children, who were brothers, run around the corner. Their names were John Crimson, Mark Crimson and Paul Crimson. The next day Holmes got a note through his letterbox which read:

"? Crimson. He broke your window."

Which of the three Crimson brothers should Sherlock Holmes question about the incident?

1 - Antelope: move it from the end to the beginning, the initial letters will then spell ALPHABET.
2 - Four kids get an apple and the fifth kid gets an apple with the basket still containing the apple.
3 - The marines were standing with their backs to the edge of the ship looking in, so they were looking at each other. It does not matter where the ship is (for those who guessed North or South Pole).
4 - A keyboard.
5 - He should question Mark. The note read: "QUESTION MARK Crimson. He broke your window."
