WOMEN'S WORLD DAY OF PRAYER
FRIDAY 4th MARCH 2016

The WWDP service this year is being held at

St Hilary's, Spridlington

Friday 4th March at 7:00 p.m.

The theme for this year is

'Receive children. Receive me'

We do hope you will be able to join us for this special service prepared by the Christian women of Cuba, when we join with people across the world in a wave of prayer.

PALM SUNDAY PROCESSION WITH DONKEYS MILLY AND MOLLY

Come and wave your palms as we walk with Milly and Molly
and relive Jesus' triumphal entry into Jerusalem.
11.00am on 20th March at
St Michael and All Angels, Hackthorn
See you there.

EASTER VIGIL, EASTER FIRE, EASTER LIGHT

This annual service starts very early on Easter morning at
St. Hilary's Spridlington.
The first part of the service starts at 5.45am but you don't have to be there
that early although it would, of course, be good to see you.
6.45am is when the action starts to take place and when we welcome the risen Christ
into our midst and we do hope you can join us for this special celebration of Easter.
Tea and toast will be served in the church after the service.

FROM THE MINISTRY TEAM

Easter and the Future

It is a great pleasure to write as Rural Dean during the vacancy in the Springline Parish and Owmby Group. Of course it is a time of uncertainty, as none of us knows just what the future holds, but for the present the churches are very well looked after by their loyal congregations and officers, and our congregations and our worship by the dedicated work of the ministry team. I am delighted that we are quietly ironing out a few problems and pushing forward with some new initiatives.

This time of year sees the six weeks of Lent move into the dark mystery of Passiontide, and on to the triumph of Easter. It is a very good time to reflect on what it means to be a Christian, what it means to be a church, and how we would like to shape the future.

Being a Christian involves going to church, of course, but that is far from the end of the story. Lent, Holy Week and Easter offer us a time to go a bit further, to come together as the people of God in our community to follow our Lord as his destiny unfolds - wilderness, temptation, triumphal entry on Palm Sunday, giving us Holy Communion on Maundy Thursday, cruel persecution and death and sensational resurrection on Easter Sunday. It isn't just Christ's destiny either, it becomes our destiny if we stay close to our Lord. The services in our churches, including the early morning vigil on Easter morning and the re-enactment of the first discovery that Christ has risen to bring us eternal life, are a way of participating in the drama, and learning to be closer to our Lord and to each other.

Beyond just going to church, being a Christian is about seeking always to increase our knowledge and love for Jesus Christ, through whom we can know God the Father. It is about regular prayer, reading scripture, getting together in or out of church to worship and build up our common life. It is about joyful and sacrificial giving of our time, talents and money. More than anything else, it is about being so thrilled with what Christ has done for us that we want to share it with others.

Our church, in these two benefices, in the whole diocese and nationally, has lost numbers recently, and in most places is ageing. It can feel quite threatening. However, the real challenge now is not just about keeping lovely buildings open. We have an even deeper challenge to hand on the good news to a new generation, and we need to look hard at our places of worship, our services, but most of all our own commitment to following Christ and sharing the gospel. Where and how are we going to bring children and families to faith? How are we going to encourage new groups of Christians to flourish in our communities? How are we going to turn all we have inherited from a liability to an asset in the imperative of making new Christians? Are we dying to bring the good news to the people? This Lent, Holy Week and Easter we are helped to remember that our Lord Jesus Christ did just that! Join in, and get closer to our Lord and Saviour. Come to as many of the events over this month as you can. I wish for God's blessing on you all as you share your faith, follow the Lord to Calvary and to the empty tomb, make your churches places of love and welcome so the Holy Spirit can do the converting, and as you pray and plan for the future.

BISHOP OF GRIMSBY'S LETTER

We break this bread to share in the body of Christ.
Though we are many, we are one body,
because we all share in one bread.

Familiar words from the Communion Service which many of us use every week - but words which also came alive for me in a fresh way on two particular occasions over the past year.

The first was at the 'Shared Conversations' - those regional gatherings of people from across the East Midlands, including some from our own diocese, gathering for three days to explore some of the current issues regarding human sexuality and how we handle together the different views and feelings that issue evokes. To be able to be part of a group of people, who, despite our differences on that particular issue, met around the communion table, were able to break bread together and so recognise the Jesus in each other, was, for me, an incredibly moving and profound experience.

The second, and more recent, occasion was sharing ten days with almost thirty other relatively recently new bishops from across the different countries of the Anglican Communion, and again that real sense as we took communion together of being united because of our common faith and trust in Jesus, despite all the different cultural and theological understandings contained in the room.

An experience of the Risen Jesus which then unites across time, place and some of the theological differences we may have with each other. That, it seems to me, is at least part of what is happening as we take communion, as we break bread, together. It is one of God's gifts to his Church.

I pray, says Jesus, that they be 'one'. Not the same, not identical, but 'one'. Able to recognise, rejoice and celebrate the reality of the Risen Jesus in each other, despite our differences, as we share in bread together. That's been my experience, on those two special occasions. I pray that it might be yours as well.

+ David Grimsby

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

It is a constant source of surprise at how benefits and enhancements to our children's learning can come from the most unexpected sources. One recent example was the highly successful Bangers and Bingo evening hosted by the Friends of the school. There's nothing like an element of competition to get the children excited about numbers! Everyone agreed that it was great fun.

Another source of opportunities has come from our involvement in the 'Centurion Partnership' a collaboration of seven local primary schools, which has already given our pupils chance to shine in front of a wider audience, when Key Stage 2 took part in the Music Celebration at Sturton. True to our philosophy of inclusiveness, everyone was given the chance to take part in the ukulele orchestra performance (which meant that 30 instruments had to be tuned at the start of the event!) singing 'Celebration'.

There was a very moving performance at the end, as all seven schools joined together to sing 'Sing'.

Later in the month, ten of our pupils volunteered to take part in the Centurion cross country, which they competed in very enthusiastically, although some were taken by surprise by the size of the field, and have resolved to learn a bit more about setting a steady pace for next time!

If our school sounds like something you would like to be involved in, why not get in touch about becoming a lunchtime supervisor, we'd love to hear from you?

You can contact the school on 01673 860295 to arrange a visit or to request a School Brochure. You can see our signpost on the website at www.hackthorn.lincs.sch.uk

NORMANBY & OWMBY

NORMANBY BY SPITAL PARISH COUNCIL NEWS

Unfortunately Mrs Mags Perry has resigned as a Councillor, so we have a vacancy. If anyone is interested in **joining the Council**, please contact the Clerk on 878148.

It's good to see that the **overhanging trees** on Pump Hill & Normanby Road have been cut back.

A campaign has been launched, called **Clean for the Queen**. For her 90th birthday, not only every parish has been asked to spruce up their village but every high street, business areas and parks have also been asked. Some villagers already have a "litter pick" day. The weekend of **March 4th, 5th and 6th** has been designated to join up with other interested organisations for a "litter pick weekend" and maybe to make it an annual event. If anyone is interested in joining in with this, please contact the Clerk as equipment and other resources are available (though I have no idea what these will be).

We are trying very hard to get Highways to reinstate the **finger post sign** from Caenby Corner direction, pointing to Normanby by Spital on the A15, which has been knocked down, but apparently it will still take a few weeks. The finger post sign from the Lincoln direction will apparently be too expensive to reinstate!

NORMANBY BY SPITAL PRIMARY SCHOOL

I have come to the end of my first term here at Normanby by Spital Primary School and it has been an absolute pleasure. The staff, pupils and parents have made me feel so welcome, there is such a sense of shared pride and a great attitude to learning-I can only hope to build on the success at the school so far.

There have been a few changes here and there-one of the main things is that we are having a rebrand, to ensure that everyone knows who we are. We are having a logo design competition and parents have been consulted about the colour of the uniform, the website will undergo a re-design. We are already promoting the school successfully on Twitter, the children are loving seeing themselves on there and celebrating their learning with each other, the village, the city, the country and the world!

It has been a productive term so far, the classrooms are being transformed to reflect what we are learning about, check out the pictures on Twitter! The children love their new environments! We have had several parents events and fundraisers including Wear it. Beat it! In which we raised £68.85 for the British Heart Foundation. We have had parents come in and eat pancakes with us this week, and on the last day of term to celebrate Chinese New Year, the children came in dressed up as animals and the parents came in for a Chinese Feast!

The children in class 3 have been trying to answer the question, 'What is the Universe?', they have researched ideas and theories and are presenting the learning to Stephen Hawking by sending him their finished reports-I wonder if he will respond? It's very exciting!

Class 2 have been, 'Digging into the Past!' their room has been transformed into an excavation site-there are fossils everywhere! They have been exploring rocks and soils and finding out how peoples used to live.

Class 1 are learning about Space, they have created a planetarium in their room, the children love working in the dark with torches, stars and planets above their heads-one of the children said, "It's like really being in Space!"

I feel very privileged to be part of such a forward thinking and creative term-I think we are well on our way to 'Providing an Outstanding Education for all!'

Feel free to make an appointment to come and see our school.

Our phone number is 01673 878216 - further contact details can be found on our website at www.normanbyprimary.org.uk

"Shakers"

By John Godber

Shakers Cocktail Bar is THE place to be! After work, before a club, to meet the blokes, to pick up the girls, to drink to celebrate or drown your sorrows, for birthdays and parties and romance and sin, this is the place to be seen. In 'Shakers' the four young waitresses reveal the lives of its staff and customers and offer an insight into their hopes, dreams and disappointments. John Godber's sparkling writing builds on the success of his earlier 'Bouncers' to create a richly absorbing yet tellingly revealing modern comedy

Saturday 19th March
Tickets £9.00 full / £8.00 Conc.

While every effort is made to ensure listings are both accurate and up-to-date, you should always confirm with the venue before attending an event.

WELTON PATIENT AND DOCTORS ASSOCIATION (PDA)

Change of date Apologies but due to the double booking of Welton Village Hall we have had to change the date of our Spring lunch to Friday 22nd April

Tickets for the lunch are now on sale priced £5.50 for a 3 course meal. The menu will be orange juice, steak pie, mashed potatoes, carrots, spring cabbage, peas and gravy followed by either trifle or apple crumble and custard, tea or coffee and mints. There will be the usual cake stall, raffle and book stall. We can provide transport for anyone not able to make their own way there. Please enquire when you buy your ticket.

We are also going to have a Spring Bonnet Competition, to be judged at the lunch, with a prize for the best bonnet. Get your creative juices working and let's have a good show of head wear!

Tickets are available from Roy (860980), myself, Janet (862570) and the Health Centre dispensary.

I would like to remind patients who use the transport scheme that the charge of 40p per mile, for anything other than transport to the surgery, is based on the distance from the driver's door and back to the driver's door. I always try to get a driver who lives as close as possible to the passenger but this is not always possible. I have drivers living in Normanby by Spital, Owmby by Spital, East Firsby, Spridlingon, Faldingworth, Sudbrooke and Scothern in addition to those living in Welton and Dunholme. This means that, on occasions, you may be asked to pay an amount slightly more than you would be expecting.

Around a year ago one of my drivers offered to set up an eBay account to sell on behalf of the PDA. We have sold items donated specifically for eBay and also items given as bric a brac for the Autumn Fayre. In the 12 months Feb 2015 to Jan 2016 we have so far raised £860.93. This is an excellent result so next time you are having a clear out, please remember the PDA!

Dates for your diary:-
Spring Lunch 22nd April
Autumn Fayre 22nd October
Christmas Lunch 9th December

These events all take place in Welton Village Hall and further details will be in forthcoming magazines.
If you require any further information on any of the above don't hesitate to give me a call (862570)

WELTON FAMILY HEALTH CENTRE NEWS

We were alerted by patients recently about a telephone call they had received from an unknown caller who appeared to have some knowledge of their medication and complaints and asking for further information and then asking for credit card details. We wish to reassure that this information has not come from the Practice and the caller is unknown to us and advise anyone who is unsure about the source of any suspicious calls to terminate the call and/or contact the police if necessary. Our staff will always make themselves known to patients and are very happy to have the caller ring back if they choose to confirm any details.

With general practice under so much pressure it is disappointing to report another 73 nursing appointments were not kept and 43 doctors' appointments - totalling 19.3 hours of wasted clinical time in January. A reminder that appointments may be cancelled in person, over the 'phone, online - up to two hours before the slot (if registered for online booking) or by text to 07930 880337.If you are not registered for online booking of appointments and wish to do so please ask at reception or visit our website (under 'latest news') for information.
