RECTOR'S LETTER

My dear friends,

How to get into a church

It isn't easy, is it?

Once upon a time, churches were left open, all day, and even all night. I know of an ancient church building in the South of England where until recent years there wasn't a key to the church, because there wasn't a lock on the door. It had always been left open.

It is a sad reflection on today's world that so many churches are kept locked, for fear of vandalism. Hopefully, there will be a notice near the door to say where the key may be found.

But a lot of church visitors, me included when I am in a strange place, don't like to bother someone by knocking them up for the key. So the churches remain unvisited.

Not only unvisited, but also unprayed in, which is really rather serious.

However, even unlocked churches aren't always easy to get into. There is the porch, and there is the door. If you're not used to churches, they can be fearsome obstacles. The porch is long and gloomy, like a dark tunnel. And the door is huge, dark and heavy. To the uninitiated, they are not very welcoming.

I could tell you some horror stories. I won't. You could probably tell me some.

It's such a shame, because on principle, churches ought to be the most welcoming places on earth.

This is because they are houses of God, God who is open to all his children, all his people, and who in the person of Jesus ought to be for us the most attractive person who ever lived.

How come we got it so wrong?

Every May, West Lindsey District Council holds its Open Churches weekend. This district hosts some of the finest church buildings in England. These buildings are homes to many lively and attractive congregations, and also house many features of interest. The Owmby Group of Parishes always takes part in Open Churches, and I offer my thanks to those from each of our churches who work so hard to make this possible.

If you've not been inside your local church, come along during the weekend of May 17th/18th and have a look at it. Dare to make your way along that dark tunnel, and through that heavy oak door. Be delighted at what you find the other side of it.

If you'd like a foretaste, then have a look at the new Owmby Group of Parishes website, where there are some good photographs of all the churches. www.owmbygroup.co.uk

That, of course, is if you use a computer.

The week after writing this letter, I am due to attend a residential conference with all the other clergy of the Diocese of Lincoln. This year, some of the focus is going to be on developments in communication technology, and how the church needs to adapt to a computerised world. We are told to take our laptops, and to log into the blog.

I don't have a laptop, and I don't do blogs. Sorry.

I'm more interested in getting into a church. I'm more interested in seeing Jesus.

I wish all our churches could be open, all the time. Two regularly are, during daylight hours, and others are thinking about it. Come and have a look at them, and see if they can point you towards the most attractive man who ever lived. He didn't have a laptop either, and he didn't do blogs. He did tell stories, and you might even find links to some of his stories in the churches. You'll certainly find the book in which some of them are written down.

What have you to lose?

Only your fear of those fearsome church doors and porches! Have a go.

God bless us all,

Peter Godden

REPORT FROM GLENTHAM PARISH COUNCIL

GOOD NEWS!

The Chairman reported that Glentham will get a Speed Reactor. This follows a lot of hard work by the Council, past and present, along with parishioners, and the Chairman thanked everyone concerned in this initiative. A letter is to be sent to Mr Paul Coathup of Highways requesting that this device be in situ before the summer traffic.

Clock winding mechanism

A very generous donation of £1750 was received from Mr M Davies and Mr T Higgins. This money is to be put towards the mechanism which is so important to extending the life of the War Memorial clock in the Church. The Council extend their grateful thanks to these gentlemen.

Playpark

Unfortunately, the CCL grant funding was over subscribed and the Council were refused a grant. An application has been sent to WREN and an application is to be submitted to LCC Community Grant Aid. Any letters of support from parishioners for the refurbishment of this area would be very useful. Please give them to any Councillor or send to Clerk.

Fencing on beck side has been repaired, thanks go to Cllr Adamson for arranging this.

Sand and sandbags

These have been delivered to the Village Hall and will be available for residents use. The Council are to establish a method for collection but please note, these sandbags are an addition and not an alternative to obtaining sandbags from WLDC.

Trees

A Yew tree has been cut down in the conservation area and WLDC have been informed. A wall has also been demolished.

Signs – Highfield Terrace

The Council agreed that the signs in situ are sufficient for purpose.

Parish website

Cllr Fox reported that the recent usage figures showed a high number of visitors to the site. Cllr Fox was thanked for his excellent work on the website which can be accessed: http://parishes.lincolnshire.gov.uk/Glentham

Parish Assembly

Two Councillors had attended the recent Assembly at the Guildhall. Cllr Fox reported that the emphasis of the evening was on Parish Plans and improving working relationships between WLDC and the Parish Councils.

Water Gardens of Glentham

The hardy souls (around a dozen of them) who braved the tour of Glentham gardens were witness to a spectacular show of water features, not all of them intentional!. Aside from the weather, members were able to see how other people's gardens were progressing at this time of year and with the results of the rather strange conditions at present. Rounded of with a welcoming cup of coffee and home made cake at Prospect House

ST. PETER'S GUILD

Another fine display of daffodils greeted the group on their annual spring coffee morning to The Trap House, home of Jane Rose. As always the garden was a picture and the welcome friendly and warm. The bring and buy and raffle helping towards raising the much needed funds for the Church.

The next coffee morning will be on Tuesday 20th May at the Old Parsonage.

ROSE BOWL QUIZ

An additional Quiz was held this month thanks to the generous donation from a local resident. Although we were unable to post the information in Signpost there was a good turnout thanks to word of mouth, although slight change in team formations. The victors were the Mulberries closely followed by the Brown Martians and R.T.S. The Wooden Spoon was won by a reduced team whose name escapes me. They will probably be grateful for that.

Thanks to all who support the Village Hall by buying my **jams and marmalade** and thanks also to those who provide jars! Sadly, though, some idiot thought it fun to steal (ie. not pay for) some and then threw them into a hedge and litter bin! I have my suspicions as to who. As a result I'll be putting jams out for sale at more limited times now. Thanks again, Brita.

The World Famous Glentham Duck Races
EASTER SUNDAY 2008

The big day dawned bright and sunny, but with 4" of fresh snow underfoot! All thoughts of abandoning the races were banished when the intrepid Duck-Day team cordoned off the banks of the Beck to prevent any unwary spectator slipping down the banks and under the thundering webbed feet of 100 racing ducks (special thanks to Dave Hough of Specialised Planing Ltd for the donation of safety tape.)

In the event, this proved un-necessary as the sunshine melted most of the snow by the time of the first race. This however brought new challenges as the water level in the beck rose steadily from the snow-melt, leaving many of the carefully constructed course features under-water.

As a result, racing was fast and furious. Time and time again we saw young but enthusiastic ducks race into the lead only to flounder in patches of slack water, allowing the more experienced campaigners to take advantage of the rapids and storm to the front. All-in-all, an exciting day's racing.

Congratulations to the trainers of our winning ducks:

Many thanks to the entire Duck-Day team for their efforts, to the stall holders in the village hall, where spectators could buy local crafts and warming refreshments between races, and most of all to all the good folk of Glentham who once again turned out in their hundreds to support this event despite the inclement conditions. Together they helped raise well over £200 for Village Hall funds.

HACKTHORN C.OF.E PRIMARY SCHOOL

Without a shadow of a doubt, the highlight of this month had to be the Key Stage 2 production of 'Romeo and Juliet'. With a fine display of acting, and an innovative take on a well known story, as far as the 200 people who came to watch were concerned, they did an excellent job of confounding those who would claim that Shakespeare is no longer relevant in schools!

We had a very successful charity fundraiser when pupils were asked to bring in loose change to make a 'money snake'. The original plan was to see how far across the playground it would stretch, but the weather intervened once again, so the snake had to go indoors. In no time at all it had grown very long, and surprisingly fat, before providing Key Stage 2 with a very useful exercise in sorting, counting and adding up all the different coins, which amounted to well over £100.

After several weeks of training around our small field, we were able to send a team off to Lincoln Castle to take part in the 1.5 km race, which forms the 'curtain raiser' to the annual 10km event. We were very pleased that half our team finished in the top 35 out of 229 taking part.

Don't Forget – we will be having another of our very popular activity afternoons for pre-school children on May 15th from 1:30 – 3pm, so please come along if you'd like to find out first hand what we have to offer. They might even get to use our new outdoor learning area, which was finally completed on the last day of term!

Contact the school on 01673 860295 to arrange a visit, or to request a School Brochure.

St Michael's Church HACKTHORN

A beautiful Victorian gothic church with fine carved woodwork, situated among trees and parkland of Hackthorn Hall overlooking the lake.

There is an outstanding 1869 Nicholson Organ of historic importance restored in 1999. The organ will feature as part of the Owmby Group Organ Trail.

St Hilary's Church SPRIDLINGTON

Dating back to 1875, the present church is built almost entirely of local blue Oolite stone, dressed with Ancaster stone and is in the gothic style of architecture.

Inside the church the cancellum screen has wrought iron gates and three steps creating the chancel area. There are also some beautiful oak carvings of angels either side of the chancel.

St Helen's Church SAXBY

The church of St Helen was completed in 1775. The architect is thought to have been Thomas Lumby, who also rebuilt the roof of the Chapter House in Lincoln Cathedral.

The present church stands in a raised position overlooking open countryside to the west. Built of stone and brick, in the Classical style, with a lead roof and a timber and leaded cupola.

Ss Peter & Paul Church OWMBY by SPITAL

A mainly Norman church, with the entrance to the building being at the base of the tower at the west end. The tower has 3 bells dating from 1687, only one of which is in use at present.

The church has required substantial renovation over the years, the latest being external repairs carried out in 2006.

St Peter's Church NORMANBY by SPITAL

St Peter's church is no longer open for worship, but is occasionally used for concerts, exhibitions and local events.

St Peter's is close to the old Roman Road, Ermine Street and exhibits early 12th to 15th century stonework. There are also fine limestone arcades with beautifully carved capitals and a handsome stone tower.

St Peter's Church GLENTHAM

The nave and aisles date from the 15th century but the church was substantially restored in 1855 and the south aisle was further improved in 1936.

It seems that the east end of the church was shortened, possibly in the 17th century.

In 1995, repairs were carried out, including re-pointing and replacement of stones.

NELL HAYES

Spridlington has recently lost one of its oldest and most loyal supporter of the church. Nell Hayes married Wilfred and came to live in the village more than sixty years ago. She put her heart and soul into Spridlington church and was church warden for many years until illness forced her to retire. She had also been a governor of Hackthorn School which she enjoyed and had been president of the Faldingworth Women's Institute. She will be sadly missed.

COMMUNITY NEWS

BOBBIES BEAT

Vehicle security – Although this cannot be said to be a major problem in this area, we do get a steady stream of calls from members of the public reporting vehicles broken into and valuables stolen. The main reason a person will break into vehicle is not necessarily to steal the vehicle but the contents. This crime can be greatly reduced if the owner helps with crime prevention. Please make sure all the seats are clear of any items. Do not leave bags/laptops on seats (this does happen) Remove radios & SatNavs. Don't leave loose change (for car parks) on show. If possible empty the glove box and leave it open to show it is empty – similar to cash tills left open at the close of day. Car alarms & steering wheel locks are always advisable. Finally please remember to lock the car door when left. It's better you empty the car rather than someone else.

Neighbourhood Panel. On Thursday the 10th of April 2008, the panel met at Faldingworth. The agenda focused on youth issues. It was decided to explore ways of getting the youth in the area engaged more with activities, with a view to reducing their time hanging around the streets. Can I ask anyone reading this who may have an idea or opinion on youth issues to please get in contact with me for me to pass on to the chairman. **Local Young People !** This directly involves you. It would be great if we could set up a youth council for the area (Welton north to Waddingham) If you wish to get involved, again please feel free to contact me. The date of the next meeting is Wednesday 11th June, venue to be decided (see June edition)

HEMSWELL CLIFF PRIMARY SCHOOL UPDATE

Hope you all had a wonderful Easter!

We certainly did, the children came to school with fantastic crazy hair styles, and donated lots of eggs for our Big Easter Raffle. We are really grateful for the donations and to all the people who came along, we raised £154. THANK YOU.

The School Council have been discussing how they would like to spend the money they raised at the Christmas Fair. The most popular idea was new wet play and Golden time equipment. A range of construction toys, board games and craft activities have already been purchased.

Watch this space!

The date of our open day is to be announced soon. The building works are nearly over, the finishing touches are being made, and we are taking delivery of furniture. We have some great new benches/tables in the hall. Our willow tunnels and classroom have buds on them already. The children can't wait to use them!

Help please!

We are desperate for brightly coloured material that measures at least 75cm (30 inches), for our new story sacks. Any offers of help to sew some would also be really appreciated.

If you would like to know more or can help in any way, please contact the school on 01427 668383 or e mail enquiries@hemswellcliff.lincs.sch.uk for further information or to arrange a visit.

We look forward to meeting you!

WELTON HEALTH CENTRENEWSLETTER

Reminder from our Dispensary – please ensure that you allow 48hours processing time for repeat prescriptions in addition to the time the chemist needs to prepare the prescription (if this is requested) – again we are having increasing

numbers of patients expecting their repeat prescriptions to be ready before these time limits.

Late night opening started 1st April '08 and we are now open Monday, Tuesday Wednesday evenings until 8pm for pre-booked appointments with a doctor. Dispensary hours remain at 8.30 – 6.30pm Monday to Friday,

TARGET – training afternoon for doctors and staff is always the third Tuesday afternoon each month and we are closed (including dispensary) from 12.30pm – 5pm. TARGET falls on Tuesday 20th May '08.

The Practice operates a loan system for wheelchairs supported by funding from the Patient & Doctor Association and is always a well used and appreciated service. However in recent months several wheelchairs have been returned in a very poor state, even beyond repair in one case, and we are reluctantly having to request a deposit on each occasion which will be refunded in full if the chair is returned undamaged plus a small charge for the overall loan period to help with servicing costs. Please ask at Reception for further details.

IMPISH QUILTERS

Impish Quilters are a group of Quilters and crafters that meet every second Thursday at Welton Village hall at 7.30pm.

Members were delighted to see Sally Turnbull at our April meeting, Sally shared some of the many beautiful quilts she has made and embellished them further with stories of how they came about and why they are special to her. Sally also showed us how to make interesting designs on fabric from patterned paper bags, a technique that will get us all hunting for that elusive gift bag from card and gift shops up and down the country. Sally teaches many classes in the local area and can be contacted through the group. Huge thanks to Sally who stood in at short notice for Peg Ingebretson from America, who will now be visiting us on May 08 to talk about her experiences working in a quilt store.

MARKET RASEN SURGERY

Patients may have heard in the press recently that the government is threatening to stop doctors from being able to dispense medication to patients who live more than a mile from a pharmacy, which would affect most patients of Market Rasen Surgery. The surgery believes that its dispensary is a vital and valuable service to its rural patients. We are able to print prescriptions direct to the dispensary so that they are ready for you to collect as you leave the surgery. We have recently introduced an online repeat prescription ordering form, a service where prescriptions can be ordered in advance and have plans to further improve dispensary services which will have to be put on hold until we know whether the surgery's dispensary has a future. As patients' views will be critical to the government's consultation process, we urge any patient who values the service provided by the surgery's dispensary and who wants to help us save it to lobby their local MP. THE GLENTHAM SINGERS

The concert held on Good Friday at South Kelsey was extremely well attended and was considered, by the enthusiastic audience, to be the best yet.

We are now preparing a programme for the summer concert to be held on Thursday July 31st in the Village Hall.

Would you like to sponsor, for £1, a favourite piece to be included in this programme?

If so, please contact Margaret on 01673 878004 no later than May 14th. This will allow time to search out the music, if necessary. We will do our best to perform as many requests as possible.

All proceeds from this concert will be donated to the Village Hall fund.

COMPETITION

Regular visitors will notice the Owmby Group website has been redesigned recently.

To mark the change, we would like a logo that reflects the group and the area. After a lengthy discussion, we decided it would be a good idea to let one of our readers have a say in the design, so we are launching an Owmby Group Website Logo Competition as of April 15 2008

There will be a £25.00 prize for the winner. This will be paid in cash, or if it is one of our advertisers, as advertising credit. If you have a website, you will also get a prominent link to your site from ours.

To make it more appealing to our younger readers, or those with families, there will also be a special prize of £10.00 for the best entry by a child of under 16 which does not win the overall prize.

You can submit your entries to Colin (Editor)as he is one of our judges. He will send the design on to the other judges. You can upload your design in .jpg, .gif or .png format directly from the contact page

We hope to be able to choose a winner, and subsequent logo, by the end of May, so get your design caps on quickly!

Full terms and conditions of the logo competition are obtainable from Steve (Webmaster)

DELIA V'S REAL WOMEN

Just to remind us that we are 'real women' - I think the following is pretty true
The following are top tips from super chef Delia Smith compared with what a Real Woman does:

Delia's Way: Stuff a miniature marshmallow in the bottom of a sugar cone to prevent ice cream drips.
The Real Woman's Way: Just suck the ice cream out of the bottom of the cone. You are probably lying on the couch with your feet up eating it anyway.

Delia's Way: To keep potatoes from budding, place an apple in the bag with the potatoes;
The Real Woman's Way: Buy Smash and keep it in the cupboard for up to a year.

Delia's Way: When a cake recipe calls for flouring the baking tin, use a bit of the dry cake mix instead and there won't be any white mess on the outside of the cake.
The Real Woman's Way: Tesco's sell cakes. They even do decorated versions.

Delia's Way: If you accidentally over-salt a dish while it's still cooking, drop in a potato slice.
The Real Woman's Way: If you over-salt a dish while you are cooking, that's tough. Please recite with me the Real Woman's motto: "I made it and you will eat it And I don't care how bad it tastes"

Delia's Way: Wrap celery in aluminium foil when putting in the refrigerator and it will keep for weeks.
The Real Woman's Way: It could keep forever. Who eats it?

Delia's Way: Brush some beaten egg white over piecrust before baking to yield a beautiful glossy finish.
The Real Woman's Way: Sainsbury's frozen pie directions do not include brushing any egg white over the crust.

Delia's Way: Cure for headaches: take a lime, cut it in half and rub on your forehead. The throbbing will go away.
The Real Woman's Way: Cure for headaches: take a lime, cut it in half and drop it in 8 ounces of vodka. Drink the vodka. You might still have the headache, but who cares?

Delia's Way: If you have a problem opening jars, try using latex dishwashing gloves. They give a non-slip grip that makes opening jars easy.
The Real Woman's Way: What on earth are men for then?????

And finally the most important tip.

Delia's Way: Freeze leftover wine into ice cubes for future use in casseroles and sauces.
The Real Woman's Way: Leftover wine????? Hello!!!!!!!!
