SIGNPOST

The Ownby Group of Parishes Magazine

Volume 21 | May 2012 | Issue 2

Volunteers Required

I'm sure you are aware by now that Peter Godden is due to retire within the next month or so of you reading this edition of Signpost. What you may not be aware of is another retirement happening at the end of this month (May).

That retirement affects us personally at Signpost Magazine, as it concerns our Treasurer, Jeannie Fortnum.

Jeannie has been the backbone of the Signpost Magazine's finances for as long as I can remember and certainly a few years before then. She does a lot for the Signpost and will be sadly missed as I'm sure you can appreciate.

That leaves us in a bit of a predicament, because from June onwards we will have no one to manage the books of the charity that is the Signpost Magazine.

If you would like to join the Signpost team as the "Treasurer", please contact either Peter Godden, Jeannie Fortnum, Steve Harvey or a local village representative. Details are at the back of the magazine and on the website.

There are a few other "jobs" that need filling here at Signpost, so if you can offer some spare time, please get in touch. College students looking for that first "post" to add to their CV, housewives (or husbands) looking to fill a void in their day, etc. are all welcome to apply!

ART ON THE MAP

Art On The Map, the association of high-quality artists and crafts-makers, have their annual **Open Studios** event this year from **5th to 13th May**.

Members of the public are invited to visit individual artists' studios to see, close-up, the products of Lincolnshire's many artists and crafts-makers. It also gives visitors the opportunity to meet the artists in their place of work and to view how it all comes together.

These 9 days are a perfect opportunity to go and see some of your local artists from West Lindsey at work in their studios.

Plenty of the 2012 AOTM brochures with reviews and maps of all the artists involved are freely obtainable from the Forge Arts Gallery, Hackthorn, and full details are on the AOTM website at www.artonthemap.org.uk - let's hope for some conducive weather!

LETTERS TO THE EDITOR

Dear Sir,

Have you tried the Bottle and Glass out since Shaun and Martin have taken over?
If not, then I suggest you do!
Both guys live locally and are employing 7 local people from the village.
The pub is transforming, the public bar is already unrecognisable from its previous layout.
Food will be available from 26th April, so come and give our local a try and help make The Bottle and Glass a success.
These guys deserve to succeed and let's all remember a successful village pub adds value to the property in the village. Along with a good school and a shop it's vital to encourage a vibrant village community and indeed encourage the success of a village long-term

Owmby Group & Springline Parish
Joint Group Eucharist
Sunday 29th April at 11:00 a.m.
St Hilary's Spridlington
Followed by a Faith Lunch at
Hackthorn Village Hall

We do hope you can join us for this special service when our two groups gather together to celebrate the Eucharist.

This will also be an opportunity to give thanks for the ministry of Peter Godden our parish priest who will be retiring in June.

After the service all are invited to join in a faith lunch at Hackthorn Village Hall. Please bring a plate of something scrummy for us all to share.

OWMBY GROUP AND SPRINGLINE MINISTRY TEAM

Several of us in the Owmby Group and Springline Ministry Team have an interest not just in doing up-front things in church but also in pastoral care. For some of us, this is close to our daily work. Others have made a particular study of it. So, as part of our ministry, we propose setting up a pastoral team who will be happy to visit you in your own home or in hospital.
Would you, or do you know of anyone who might like a visit from us?
Perhaps you cannot get to church for whatever reason and would like the opportunity to have Holy Communion at home - just let us know and this could easily be arranged for you.
If you are interested or would like more information please contact Viv Bailey on 01673 861297

FROM YOUR PARISH PRIEST

My dear friends,

LIFE JUST BEFORE AFTER PETER

Once upon a time a retiring priest like me would have finished my work in a parish, held my final service, and that would have been that. Nothing so straightforward nowadays, I fear.

The Joint Groups Service at Spridlington at 11:00am on Sunday 29th April will be my final Group service, but then during May and June I shall take a last local service at each one of our 13 churches in turn; see elsewhere in this magazine for further details of the services in your own group or parish.

And after that, some new and exciting things happen. On Saturday 30th June the Revd Sally Turnbull will be ordained priest by the Bishop of Lincoln in the Cathedral at 5:30pm. Then the following morning, so on Sunday 1st July, again at the Cathedral at 10:30am Julia Hepburn will be ordained Deacon. These two ordinations are a great celebration and occasion for all our churches. We shall hold no local services that morning, so that we can all attend the ordinations. I hope there will be a very strong turnout.

On that Sunday evening, 1st July, Sally will for the first time celebrate Holy Communion, at St Hilary's Spridlington, her own church, at 6:00pm. Julia will be her Deacon and I shall preach, my final activity in our parishes. But this service is for Sally and Julia. They, and others like them, are part of the future of the Owmby Group and Springline parishes. I shall by the end of that service be part of the past.

So it is my hope that on the evening of Sunday 1st, there will be another full turnout for Sally's & Julia's service, as a way of welcoming them back into their parishes, newly ordained, now charged with working for God in new and different ways.

Even so, Sally and Julia do not replace me, any more than any other of our local voluntary clergy do. The process to identify and appoint a new Parish Priest as full-time leader of our Ministry Team will have started by the time this letter is published. Temporary arrangements for the inevitable vacancy are as advertised in this magazine, the weekly pewsheets and also on the website www.owmbygroup.co.uk. We are lucky to have so many people involved in our active and varied church life. But when so many people are involved one way or another, communication becomes a key issue.

It's clear to me that the Internet is already an important tool in the life of churches today, and that this will increase even more in the future. So do take a look at the website from time to time. When I first came here, I did not possess and would not have known how to use a computer. I'd now be lost without one. Whether I like it or not doesn't matter.

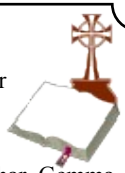

Finally, the services in our churches on Sunday July 29th will generally be most of those displaced earlier in the month by the ordination services, so do please check these carefully.

God guide, inspire and bless us all in these new, changing and challenging times.

Peter Godden

The latest date for entries to June's Signpost is Tuesday the 15th of May at 6:00 p.m.

Prevailing modes of music, influence the forms of government and the influence of architecture is similarly profound.

Children; exposed to violent discordant music and daily confronted with irregular and arbitrary shapes in place of civilised architecture, can scarcely be expected to develop a refined sense of proportion, the cultivation of which is the true purpose of education, because it is the foundation of reason.

BISHOP OF LINCOLN'S LETTER

Dear friends,

The Feast of Pentecost falls at the end of May.

The idea of the Holy Spirit coming upon us as it came upon and overwhelmed the apostles in the upper room at the first Pentecost, is a powerful image for a Christian. However, the Holy Spirit's impact might also be rather less dramatic. The Spirit of God - who brooded over the waters of creation, who inspired the prophets, who entered the womb of Mary and descended upon Jesus at his baptism - is active in God's world and can come to us in simpler and more mundane ways.

Having discerned the presence of the Spirit, we need to nurture that presence. God gives human beings a part in the creation, redemption and sanctification of the world - not the primary part, that's for him; but we are called to co-operate in discerning and nurturing that which speaks of him to our world. We can do this in a variety of ways: for example by seeking to protect the integrity of creation, or by working to bring reconciliation and harmony between ethnic and religious groups and always by blowing on the embers of the spirit of God in our own life. These embers are there in every human being and are always ready gently to be fanned into a bigger flame.

Come, Holy Ghost, our souls inspire!

+Christopher Lincoln:

PRAYER FOR THE MONTH

Mould our wills to your will and bring every knee to bow in humble adoration; for you are one with the Father and the Spirit, holy and eternal. Amen

LETTER FROM CLLR LEWIS STRANGE

As spring arrives and our farmers anxiously scan the sky for much needed rain, our water companies enact bans on water abstraction for farm irrigation. Some 30 years ago, after the last severe drought, a plan was being brought forward by these same companies to pipe water from the north west to the arid east. Just why was that plan shelved?

The news that both district and county have been able to freeze increases in council tax for another year, is pleasing. As is the news that high speed broadband will be delivered to 90% of ratepayers by 2015, and the remainder by 2017.

A major concern is the huge spread of applications for wind turbine farms, especially in the Caenby Corner to Gainsborough area, where three huge wind turbine farms are planned as tall as our wonderful cathedral. If permissions are granted, this will cause a completely different view for thousands of our residents and, in my personal opinion, without very little addition to our national supply of energy. There is a strong possibility that the first application could come to West Lindsey's planning team by May of this year. Should you not wish to see the erection of these turbine farms, I asking that you should contact the planners at West Lindsey and tell them so.

In conjunction with your MP, Mr Edward Leigh, District Councillors Jeff Summers and Paul Howitt-Cowan, I am representing our ratepayers who have been in contact with us on this matter. We will do all we can to ensure the democratic views of the majority are represented.

THOUGHT FOR THE MONTH

FORGIVE ME WHEN I WHINE

Today, upon a bus,
I saw a very beautiful woman
And wished I were as beautiful.
When suddenly she rose to leave,
I saw her hobble down the aisle.
She had one leg and wore a crutch.
But as she passed, she passed a smile.
Oh, God, forgive me when I whine.
I have two legs; the world is mine.

I stopped to buy some candy.
The lad who sold it had such charm.
I talked with him, he seemed so glad.
If I were late, it'd do no harm.
And as I left, he said to me,
"I thank you, you've been so kind.
It's nice to talk with folks like you.
You see," he said, "I'm blind."
Oh, God, forgive me when I whine.
I have two eyes; the world is mine

Later while walking down the street,
I saw a child I knew.
He stood and watched the others play,
But he did not know what to do.
I stopped a moment and then I said,
"Why don't you join them dear?"
He looked ahead without a word.
I forgot, he couldn't hear.
Oh, God, forgive me when I whine.
I have two ears; the world is mine.

With feet to take me where I'd go.
With eyes to see the sunset's glow.
With ears to hear what I'd know.
Oh, God, forgive me when I whine.
I've been blessed indeed, the world is mine.

If you have something you think would be suitable for "Thought For The Month", please send it to the editor.

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

The last couple of weeks before the end of the Easter Term are always a favourite with the Key Stage 2 staff, because it marks the time for preparing the annual production. Well, maybe that's a bit of an exaggeration, but the 'embodiments of ineffable melodiousness' and 'acts of dynamic digital dexterity', not to mention the 'spectacular prestidigitation' which were witnessed by all those who attended the two performances, were well worth the effort.

In case you hadn't already guessed it , this year we were treated to an Olde Time Music Hall loosely based on that old TV favourite 'The Good Old Days' hosted by the inimitable Leonard Sachs which, as it turned out, was a whole new experience for some of the staff, let alone the children!

There were songs and sketches as well as some toe-curling jokes and sawing people in half. Not only that, but there was also some really creditable ad-libbing and improvisation, as some cast members supported each other when things didn't quite run to the script. This is the kind of confidence that is built up over the years by regular performances where everyone has a significant role to play.

In a similar vein, summer term is when the whole school goes swimming every week, and because it's the whole school, it means that everyone can learn at their own pace with the aim that everyone can swim by the time they move on to secondary education.

Don't forget to visit our new website at www.hackthorn.lincs.sch.uk where there should be some new pictures from the production. Contact the school on 01673 860295 to arrange a visit or to request a School Brochure.

If you do not tell them, then they will never know.

Hope to see a lot of you on the 23rd May.

Nadine Fox - Clerk

The latest date for entries to June's Signpost is Tuesday the 15th of May at 6:00 p.m.

PCSO McFaul reported 2 small incidents.

DISTRICT COUNCILLORS REPORT
Cllr Summers reported on his talks with owner of land on Normanby Rd. and others.. Chairman to contact landowner to discuss a way forward.
Cllr Summers agreed that the preparation of a Parish Plan would be prudent to ensure the community could have the opportunity to determine future needs of the Parish. Both Normanby & Owmby to have a joint meeting with West Lindsay to discuss the need for a Parish Plan. Clerk complained of difficulties contacting District Council Officers.

OUTSTANDING BUSINESS
1. Reseeding at cemetery needs to be completed.
2. Resolved that the joint meeting with Normanby Parish Council should be held on 21 March provided an Officer can attend.
3. Funding from WLDC had enabled the purchase of 2 grit bins, which have been placed on the bends on Cliff Rd. 1 tonne of free grit has been supplied by the Highway Authority.

FUNDING FOR JUBILEE CELEBRATIONS
Application forms for funding have been passed to Mrs Harrison.
£600 is available to be shared equally between Normanby & Owmby from the former Village Hall account.
Funds are also available from the "Silver Jubilee" account.
Resolved that the Parish Council will fund any shortfall after the funds in hand have been expended on Jubilee events

WAR MEMORIAL

The Memorial, which is sited at Normanby is in need of repair. There has been a suggestion that the Memorial should be re-sited on the edge of the cemetery. Councillors did not support re-positioning of the Memorial but agreed that estimates for repairs should be obtained and the necessary work done.

PLANNING APPLICATIONS

Permission granted to erect a vegetable store @ Totmor Farm, Owmby

2 applications have been made to install ground mounted array of photovoltaic panels at Owmby Clif Farm.

Clerk has requested paper copies, but to date none have been received. It was noted that the proposed development had already been carried out. Clerk to raise our concerns.

GLENTHAM PARISH COUNCIL

NOTES ON COUNCIL MEETING HELD ON 1st MARCH

Council matters

The Council learned that the **Indoor Bowls Club** has come top of the league this year and offered its hearty congratulations for a fine effort, which brings credit to the parish. Planning preparations are still in hand at Hemswell for a **wind farm** and an action group has been formed which incorporates surrounding parishes. The turbine blades would be taller than Lincoln Cathedral! Similar applications for turbines are expected near Corringham and Willoughton. The **drought** legislation is now in force and literature has been circulated around the Councillors, who will be able to give advice if required. The **internal audit** of the Council's finances has been carried out, with a positive result. Careful spending and judicious budgetary control have meant that the funds are underspent, enabling a zero precept increase and a slight increase in the reserves for a rainy day (drought permitting!). The Council continues its investigations into the consequences of the **Localism Act 2011**, with learning seminars and discussions, all to ensure Glentham parish does not miss an opportunity to help plan its own future. The **Queen's Diamond Jubilee** will be celebrated by the Council and the Village Hall Management Committee, who are planning a street party with games, a quiz and a disco. Plans are still in preparation, the 4th June is a date for your diary!

GLENTHAM SHORT MAT BOWLS CLUB NEWS

END OF SEASON REPORT

The Clubs' competitive season ended on 3rd April with a delayed home match against Glentworth. They started 2 points ahead and with a better shot difference after we had been heavily defeated in our penultimate game away to Reepham at the end of March. The match winner would come out top of the eleven clubs in the Southern Division of the Bishop Norton and District League.

Despite what was at stake the match was played out in extremely cordial fashion with Glentham ending the clear winners, thus topping the league for the first time in our 16 year history!! A modest celebration was held at the end of the week in the Crown by which time pulses had returned to normal!

We now await the outcome of the Northern League competition, as the winners of both leagues play a final game on neutral ground to round off the season.

The normal pattern of Tuesday and Friday practice nights is now reverted to, so if you would like to try your hand at this most enjoyable pastime please ring Bob Dickson at 878087 or speak to David in the village shop or simply pop into the village hall at 7pm on a Friday. New players are always welcome!!

BOBBIES BEAT
Lincolnshire Police

Hello readers

Although the villages covered by this magazine enjoy a very low crime rate, in recent weeks, we have dealt with several thefts and burglaries from properties in villages not too far away.

Please don't offer thieves the temptation. Ensure bicycles, lawnmowers or other expensive items are not left unattended in your garden or around your property. If you have a shed or outbuilding please make sure it has a suitable lock. Please also be vigilant, keep an eye on your neighbours property and if you see any suspicious people or vehicles contact us so that we can check them out. We would rather come for nothing than find a crime has occurred.

As the weather improves we have begun to see an increase in the number of incidents of anti social behaviour involving young people in our villages. Parents, please be aware of where your children are, what they're doing and who they're spending their time with. Local officers will be patrolling our anti social behaviour hotspots during the spring and summer and will deal robustly with any incidents they find.
Finally, although its been unseasonably warm of late it's worth remembering that springtime can still bring us some rather fickle weather. Although it may be pleasant during the day the temperature often dips below freezing during the night. Please bear this in mind if you're taking to the road early morning. Remember that, although the sun may be shining, icy patches can sometimes persist into the daytime and can easily catch you out.

That's all for this month. Take care.

WELTON HEALTH CENTRE NEWS

As previously advised the Practice will be changing computer systems on Wednesday 2nd May '12 and the surgery will be closed from lunchtime that day to allow for this. We will of course endeavour to keep any disruption to services to a minimum but ask for consideration during this time and apologise in advance for any inconvenience caused.

As a result of requests from patients to have later nursing appointments we are changing our late night arrangements from the beginning of May. We will be offering extended appointments with a doctor until 8pm on a Monday and Wednesday and also nurse clinics until 8pm on a Monday and 7.15pm on a Wednesday.

Results of our recent patient survey relating to our telephone system are now published on our website, www.weltonsurgery.co.uk and we thank everyone for their responses to this. We are reviewing the options in relation to the telephone system and hope to address the issues raised both in this survey, from patients' individual comments and by our attached Patient Participation Group very soon. If you are a patient of this Practice and would like to join our "virtual" patient group please let us know - we will send our periodic surveys by email or by post, if preferred, on various topics relating to our services and welcome your feedback.

Dr Barton successfully completed the Lincoln 10k again this year, and once again, all sponsor money raised is for the Welton and District Patient and Doctors Association to help provide comfort and support for local patients. If you would like to donate please speak to our reception staff - to date more than £330 has been handed in as sponsor money - well done Dr Barton !

Drs Helen Flint and Maiella Apudo have now left the Practice to go back into hospital as part of their Vocational Training Scheme rotation and we look forward to them re-joining us later next year. We also welcome Dr Jennifer Glennon, our Registrar, who is now back from maternity leave and congratulate Dr Mercedes Gomez who will be going on maternity leave shortly. We are delighted for Dr Nicola Porter who has also announced her pregnancy and plans to be taking maternity leave from mid August and this will mean that the Practice will have various locum doctors providing short term cover during all of their absences. Dr Elizabeth Nellist plans to be back from maternity leave in early December - it certainly seems like 2012 is the year of babies in the Practice!
