Volume 21 October 2012 Issue 7

WELCOME TO THE OWMBY GROUP

By the time you read this, there will officially be a new Priest-in-Charge of the Owmby Group and Springline Parishes.

Adrian Smith, along with his wife and three children are the new residents of The Rectory in Hackthorn.

You can read Adrian's introductory letter on page three of this month's edition.

Please join all of us at Signpost Magazine in welcoming Adrian and his family to the area.

ARE YOU READY?

After more than a few fair weather days in the last couple of months it will soon be "as you were" as we all settle down for the autumn and prepare for the coming winter. Now would be a great time to make sure your property, vehicle or anything else you "take for granted" is fully prepared for the upcoming bad weather.

Contact one of the local tradesman that advertise in The Signpost to carry out an inspection to make sure everything is ready and suitable for the inevitable bad weather conditions.

FROM THE PARISH PRIEST

Dear All,

We would like to take this opportunity to say 'hello' and to introduce ourselves.

As many of you will know, we have recently moved into The Rectory in Hackthorn, and so far we are really enjoying our new surroundings and we are very much looking forward to getting to know you.

By way of an introduction, here is a little about ourselves: Katie and I met as undergraduates in Chester, and we have three children: Beth (10), Thea (6) and Owen (2). We have moved to the area from the seaside and the Mablethorpe and Sutton Groups of Parishes (where Adrian served as Assistant Curate), and prior to this we were in Durham for two years (Adrian studied at Cranmer Hall, St John's College), and we also spent nine years in Cambridgeshire, where Adrian worked in publishing and broadcasting and Katie specialised in working with children.

As a family we enjoy spending time together and exploring our local surroundings. Some of our family are farmers in Yorkshire and so Owen, who loves tractors, has settled very well here. Thea is a Rainbow and Beth is a Guide, and both Beth and Katie have recently discovered a shared love of knitting. Katie is very creative and likes to make cards and all sorts of things to help make a house a home, while Adrian is a keen follower of Aston Villa and football, motorsport, the Media and the Arts. As a family we appreciate and enjoy local life and produce and baking things in the kitchen.

We are very excited by the prospect of getting to know you and serving God and one another in this beautiful area, and we look forward to meeting you.

With our love and best wishes to you all,

Revd Adrian, Katie, Beth, Thea and Owen Smith

If you have news, an article or a story you feel would be of interest to our readers, please contact Steve, the editor. His telephone number is on the contacts page towards the back of this month's edition. Full details are on the Owmby Group web site.

BISHOP OF LINCOLN'S LETTER

Dear friends,

The great sporting summer of 2012 continues to amaze. The stupendous success of the Olympic Games being followed by a different, but just as successful, experience - the Paralympic Games. These two beautifully organised sporting festivals have not only showcased London and Britain, but also reminded us of several important ideas.

The first is that there is nothing wrong in taking a pride in our British-ness. In recent decades - in part because of the experience of Fascism in the 1930s and 1940s - we have been cautious about celebrating our national qualities too overtly. We wanted our nation to do well - particularly as the proud hosts - and were thrilled when medals were won and Olympics records broken.

Natural human loyalties and communities are given to us as schools for love, as places where we can learn to broaden and deepen our love for the wider world and for God, by learning to love others, some of whom may be very different from ourselves.

So it is no bad thing to be proud of the achievements of our nation as long as it leads to broadly human sympathies and is not diminished by unhealthy jingoism.

And this brings me to my second idea: that we should not be dominated by an idea of perfection against which we measure everything else. We live in a diverse universe with many complementary expressions of life.

This is demonstrated so powerfully by the athletes of the Paralympic Games, and challenges those who are conventionally able to see those with injuries and disabilities not in negative terms, but as fellow human beings with a different set of abilities. We may then be able to view the human race as family of people of differing (and ideally complementary) backgrounds, ethnicities and abilities all of which can be focused towards the Common Good.

I am proud to be British not only because of the achievements of our athletes - but also because we are becoming a nation which values all its peoples whoever they are and expects everyone to contribute to the benefit of all.

Every blessing,

+Christopher Lincoln:

PRAYER FOR THE MONTH

May he support us all the daylong till the shades lengthen and the evening comes and the busy world is hushed and the fever of life is over and our work is done. Then in his mercy may he give us a safe lodging and a holy rest and peace at the last.

A Prayer of John Henry Newman (1801-1890)

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

Part of our school ethos is to help our children to enjoy learning and it is always very rewarding to see that, when they return after the summer break, their minds haven't gone completely blank. Quite the opposite in fact, because many of them have obviously carried on learning and come back to school with even better skills at reading, spelling and tables!

Nowhere was this more apparent than in some of the creative writing which was produced in the first couple of weeks of term, including some very impressive examples of Haiku (those short Japanese poems which have to have the correct amount of syllables in each of their three lines). We have posted some examples of these on the website.

This will all be good preparation for the week when 'Snail Trails' come to visit. They will be working with groups of pupils throughout the week generating ideas for fantasy stories and working on creative writing skills.

We will be holding our Harvest Festival Service on Friday 19th October at 2pm in the village church when the children will offering their traditional harvest donations. You are welcome to attend.

Contact the school on 01673 860295 to arrange a visit, request a School Brochure or you can contact us via the website www.hackthorn.lincs.sch.uk.

Please contact us too if you might be interested in becoming a lunchtime supervisor.

NORMANBY & OWMBY

NORMANBY-BY-SPITAL PARISH COUNCIL NEWS

Two old problems have once again reared their heads:

1) **Dog Mess** - would you please clear up after your dog has fouled - especially when you have allowed your dog to roam onto private property or allowed your dog to foul a grass verge outside someone's property. There are some areas which look wide open, but do in fact belong to someone. Easy to recognise if the grass area is kept to a high standard - in fact, when passing through private property, could you all please respect it, there are enough other places to let your dog (and children) run free.

2) **Posters** - when you put a poster on a telegraph pole or lamppost, would you please take the poster down after the event, taking away any tape or staples as well as the poster.

GLENTHAM & CAENBY

GLENTHAM PARISH COUNCIL

NOTES ON LATEST COUNCIL MEETING

Council matters

Last month, the idea of a **Maintenance Club** was floated and a form was pinned to the Village Hall notice board for names of volunteers. Several people have indicated an interest and work has already been done on the first project, which was to clear the Beck of weeds and rubbish ready for the village boat race. This encouraging start will hopefully develop into a band of volunteers who take pride in their parish while at the same time save the community money. At the time of writing, two Councillors are renovating the public bench next to the phone box in the High Street. The Maintenance Club can comprise all people of all ages and any level of talent (or none!). The only requirement is a willingness to donate a little time and effort to the benefit of all. Anyone interested in participating can add their name to the list in the Hall, or simply let a Councillor or the Clerk know.

A Glentham resident has very kindly offered to pass on his knowledge and expertise in the use of a **defibrillator** device; he will give a short explanation at the October meeting of the Parish Council and also explain how this can be obtained through charity grant funding. The Parish Council will then consider the feasibilty of locating a defibrillator in the village.

A grant of £250 has been received courtesy of County Councillor Lewis Strange for the purpose of renovating the steps and parts of the landing in the **Church tower**, to make roof access safe

Dates of next meetings

The next Council meetings are scheduled for Thursdays 4th October and 1st November at 7.30pm in the Village Hall. There is always an open forum for the public to raise any parish issues and everyone is welcome.

Poppy Collectors' Evening 2012
23rd October at 7.30 p.m. in Welton Village Hall

Poppy Collectors for HCG25 Area are again invited to join the Welton & District Branch members and HCG24 collectors at a social gathering on Tuesday 23rd October. Awards will be presented during the evening to eligible collectors. All collectors for the area will be invited to attend but we hope that anyone interested in becoming a collector or is just interested in finding out more about the Legion will also attend. Please contact me if you wish to attend so that arrangements for catering can be made as a buffet will be provided. There will also be a raffle for a draw of prizes donated by local traders.

The HCG25 Area covers both sides of the A15 - to the west, from Hemswell Court & Caenby Corner to Scampton village and, to the east, from Lawres Hall to Waddingham village and all points in between excluding the larger villages of Scothern, Dunholme and Welton. We were lucky to gain collectors for Glentham and Scampton last year but more are always needed so please give a thought to whether you might be able to help in any way.
