FROM THE PARISH PRIEST

Dear All,

As you read these words the beginning of a new academic school year will almost be upon us. As a child I can remember being frustrated at the sight of 'Back to School' signs in shop windows before the summer holiday had barely got underway, but that precious time does seem to go so quickly.

As the last term drew to a close I had the privilege of presenting those moving on to secondary school with Bibles. As I did so I tried to encourage the children to treasure and to read their Bibles (I still have a New Testament and Psalms that was given to me at school by The Gideons), and it is my prayer that the children will enjoy what is widely regarded as the most significant text in English literature.

It is with this in mind, then, that I was interested to read of a suggestion that 'castaways' on BBC Radio 4's Desert Island Discs might no longer be offered a copy of the Bible. As regular listeners will know, as well as choosing their favourite records and reflecting on their life, 'castaways' are given a Bible and the complete works of Shakespeare. However, The National Secular Society has reportedly called for the Bible to be dropped from the programme, prompting a brief flurry of media comment.

One might tackle this in many ways: for example, there is a suggestion that in offering the Bible and the complete works of Shakespeare it prevents a 'castaway' from selecting either one of them as a chosen book, thus making their selections more interesting for the listener. Alternatively, and as Allan Massie suggested in The Daily Telegraph, 'the Bible is at the heart of our national culture, just as Shakespeare is, perhaps even more so, [and that] our historical culture, which has formed the country we have inherited, is a Christian one'. I am sure that we all have our own views, but for the time being a BBC spokesperson has been quoted as saying that 'There are no plans to remove the Bible from the format of the programme'.

So, has this been just a summer news story, or something much more significant? For my part, perhaps it might encourage us all to pick up and read our Bibles, rather than just taking and treating them as a 'given', sitting untouched and unexplored on our bookshelves. Happy reading!

With my love, prayers and best wishes,

Adrian Smith

I am hoping to get a production of 'Joseph' running in October for performances next June. The concerts will be in aid of the Owmby and Springline group parishes and I hope this may also be a good way of meeting people from both sides of the A15.

I am looking for singers, old and young and musicians as well as people to help with costumes, staging, advertising, props etc. There will be weekly rehearsals in Hackthorn.

If you are interested in performing or helping back stage, please email me at tasha.t@live.com or call on 01673 866789.

I look forward to hearing from you, Natasha Tindall

HACKTHORN & COLD HANWORTH

HACKTHORN C. OF E. PRIMARY SCHOOL

It will soon be time for parents to start thinking about choosing that all-important first school for children who are due to start in September 2014. We will be organising some activity days soon to give you an opportunity to see our school in action and allow your child to experience what we have to offer at first hand.

It is more important than ever that you come and see yourself what we have to offer, because, for the foreseeable future, the only route into the school will be via reception now that all our other year groups are oversubscribed.

This year we will be welcoming a new member of the teaching staff, Mr Churchward, who will be joining Key Stage 2. Actually he's already quite a familiar face in school as we don't seem to have been able to keep him away since he was offered the job in July!

Such is the effect we seem to have on people - and it was summed up for us by one of the Year 6 leavers who said that his favourite memory of the school would be the smiling faces and cheery 'hellos' which greeted them every morning.

If that sounds like an experience you'd like for your child, then we'd love to hear from you.

Contact the school on 01673 860295 to arrange a visit or to request a School Brochure, or have a look round our website at www.hackthorn.lincs.sch.uk

GLENTHAM & CAENBY

GLENTHAM PARISH COUNCIL NEWS

NOTES ON COUNCIL MEETING SCHEDULED FOR 1st AUGUST 2013

The meeting was well attended, with a full complement of seven Councillors and five members of the public. Several topics were raised from the floor, including a request to extend the current survey into **gas connection** for the village, which the Council will consider at the September meeting. Anyone interested in having a connection to the grid should contact the Clerk (there is no commitment at this stage).

Speeding vehicles continue to be a danger and a nuisance; the Lincolnshire Road Safety Partnership has agreed to position traffic monitoring equipment within the village in September to measure the extent of the problem. Several locations have been identified where **overhanging trees and other vegetation** are causing risks to pedestrians. Letters have been sent to owners, who are proving highly cooperative so far.

The **mobile library** service is under direct threat from May next year, and a protest has been sent to the County Council. Their response is, to put it mildly, impenetrable, employing complex means of computing housing density and population catchments. The Council is putting up a spirited argument for keeping the service, it will help if everyone uses it as much as possible.

The **playground fencing** is finally in place and it looks very smart. The Big Lottery Fund is to be thanked for providing £4,631 of funding for the project, which is primarily designed to protect children from the dangers of the nearby beck and the adjacent road.

The Clerk is pleased to report a clean bill of health following the **external audit** of the Council's finances.

Finally, the **Maintenance Club** continues to operate in a quiet and efficient manner, smartening up picnic benches and cutting undergrowth along the beck and many other services to the community, all done without charge for their labour.

Dates of next meetings

The next meetings will be on 5th September and 3rd October at the usual time of 7.30pm in the Village Hall, please come along to observe or have your say.

On Sunday 14th July a Garden Party, followed by an evening service, was held at Prospect House, Glentham. All proceeds were generously donated to St Peter's Church, Glentham. INGHAM PRACTICE

The Ingham Practice continues to offer patients same day access to a GP in the open morning surgery and additional same day appointments in the afternoon and we appreciate patients' understanding and patience for the wait, particularly in the morning as we have no control over the numbers attending.

The Practice is now offering an in-house NHS Physiotherapy service for the convenience of patients.

We are pleased to extend the range of our over the counter medicines available for our local community.

Dr Sultan and the Practice staff would like to thank the Ingham Patient Participation Group (IPPG) for their involvement and support and would take this opportunity to invite interest from patients joining the IPPG.

WELTON HEALTH CENTRE NEWS

OPEN SURGERY CHANGES FROM 2ND SEPTEMBER

NO OPEN SURGERY FROM 11 - 12 AFTER FRIDAY 30TH AUGUST !!

Following on from last month's information - a reminder that Open Access surgery times change with effect from Monday 2nd September to 8.30 - 9.00am. Anyone presenting between those times will be seen in the open surgery by a GP or Nurse Practitioner and patients presenting later will be either offered an appointment slot or contacted by the doctor to call if the condition is considered urgent. There will be a dedicated booking in desk in the waiting room for patients attending open access surgery.

Open access surgery is intended for acute problems and not routine reviews. Please help us to improve our system by booking an appointment with the appropriate person if you know you require a routine review of your condition Booked appointments will be available later each morning in addition to bookable telephone consultations. Please check with our reception staff if you are unsure about any aspect of the service.

We will be collecting information from patients who wish to sign up to the online booking system during the next few weeks - this will allow round the clock online access to appointments for patients to book into. Forms will be available from reception shortly.

Appointments may be booked up to four weeks ahead and we would appreciate general enquiries after 9.00am where possible.

We welcome all feedback about these changes so that we can continue to monitor and improve our services. - please use our Suggestion Box and let us know what you think.

Sallie Stead

WELTON PATIENT AND DOCTORS ASSOCIATION

The Autumn Fayre is to be held on Saturday 12th October in Welton Village Hall commencing at 2pm.

Tables have now been allocated for sale of goods. We had a huge response from people wanting to hire a table and hope that those who were not successful this year will try again next year.

Donations are still needed for the bric-a-brac tables so please clear out your drawers and cupboards and have a general de-clutter for a good cause. We are still looking for tombola items, items for the bottle and glass tombola and any 'in date' grocery items for 'guess the value of the shopping trolley contents'. Please let me know if you need anything collecting or alternatively items can be delivered to Welton Village Hall from 9am on the morning of the 12th. Items can also be left at the Health Centre or with any driver if you are using our transport service.

Donations for the cake stall, on the day, would also be very welcome so come along all you Mary Berry and Paul Hollywood fans- get baking!

Raffle tickets are now available (finally) from the Health Centre Dispensary, Taylors Pet Foods in Welton, Welton paper shop, Essential Looks, Dunholme or any PDA driver. We are also hoping to be selling at the 'flu' injection clinics and at Welton Co-op so look out for us towards the end of Sept/ beginning of October

We have some new games of luck and skill including a lucky draw with a prize every time and a target shooting game which is suitable for young and old alike! There will also be a plant sale for those of you with green fingers

The speaker at the AGM on Thursday 24th October will be Dr Nellist with a topic yet to be decided. I am sure that whatever she chooses to speak about it will be an interesting topic and an enjoyable evening. When I contact patients, to confirm transport bookings, I am often asked' when can I meet you' or 'it would be nice to put a face to the voice' well I'm not sure about the latter but I do know that the AGM would be an ideal time to meet the people, me included, behind the workings of the PDA. Please come along and give us your support! The evening starts at 7.30pm and usually lasts a couple of hours. We would love to see you there.
