SAXONHOUSE

Lincolnshire Heritage Open Days happen again in September. Each year the Heritage Open Days festival celebrates the county's architecture and culture by allowing visitors free access to interesting properties that are not usually open or would normally charge an entrance fee.

This year Saxonhouse (East Firsby) opens as part of that festival on Friday 9th and Sunday 11th between 2pm and 4pm. Saxonhouse is a centre for exploring the life and culture of the early medieval period. Featuring an archaeologically accurate reconstruction of a Saxon craftsman's home, the site lets you step back into the day-to-day existence of a Saxon family.

If you would like to attend, please book a place on 01673878636 or 07766227359 or email Jude on judith@saxonhouse.co.uk
You can also contact us through our website at www.saxonhouse.co.uk

SEEK THE LIGHT

Seek the light was the motto of the Market Rasen Secondary School that existed from 1937 to 1974. It is now the title of a book, telling in a lighthearted way, the story of those years. If anyone is interested in reading these reminiscences, please contact Tony on 01673 844108.

Tony is not out to make a profit, but a charge of £4.00 covers the cost of self publishing.

FROM THE MINISTRY TEAM

Ever since Signpost was first distributed around the Owmby Group of villages it has been the custom for the Rector to write the letter on the first page. First we had Rev. Ivan Howitt, followed by Rev Peter Godden and latterly Rev Adrian Smith. The letters have, hopefully, been a source of inspiration to everyone who has read them. Now that Adrian is no longer Rector, and we are in an interregnum waiting to welcome a new priest, the monthly letter has been written by different members of the Ministry Team; each letter reflecting the various duties and interests of the individual contributors.

So, what is the Ministry Team; who serves on it and what do they do?

The Ministry Team consists of ordained and lay people across both the Owmby Group of Parishes and the Springline Parish. This partnership has helped to support Rectors in their ministry, and during this current interregnum it has strengthened our capacity to maintain services, occasional offices and celebratory events. We hope that our new incumbent will embrace this established team and we can continue to offer a full ministry to all people in our villages in the Owmby Group and Springline Parish whether they come to church or not.

Inside the back cover of Signpost you will find a list of people who serve on the Ministry Team, with their names and contact details. We also have retired clergy and Licenced Readers who have crucial support roles in the team. The team also works closely with Church Wardens and PCCs; two of our ALMs are also church wardens.

What is important to know is that every person on the team is here to serve you whether you are young or old, new to the villages or have family close by. Members are licensed to support and minister across all parishes and they have complimentary skills, qualifications and experience. Their ministry covers many things, not simply leading worship in church, but also providing pastoral care and friendship in care homes and our two local schools. Some support couples preparing for marriage and families in baptism preparation and aftercare. They are privileged to share in the joy of these special moments in people's lives. Some take home communion to those unable to go to church; they are people you can turn to at a time of bereavement. The team has also been involved in various charities, and with your help and generosity has recently supported a Christmas Appeal for West Lindsey Domestic Abuse Service and a Lent project to help local food banks.

Archbishop Justin Welby recently said "As Christians we are called above all to be a people of prayer." We join with him in this thought and members of the team meet regularly to pray together as well as to co-ordinate the parish prayer list. Some people ask us to pray in private and confidentially and this we do, offering up to God the names of those who are in need. Some people ask to be prayed for publicly and again this we do during our church services.

You don't have to come to church to contact us. We try our best to be a port of call when and where there is need. We all go through good and bad times in life and, at some point, you too may welcome a visit by someone or know of a person in need of prayer. You will always find that people in the Ministry Team are there to support and encourage you. They are a phone call away.

May God bless us all.

Your age doesn't define your maturity; your grades don't define your ability; and what people say about you doesn't define who you are.

BISHOP OF GRIMSBY'S LETTER

Dear Friends

"This is true religion," says the apostle James, "to care for orphans and widows in their distress, and to keep oneself unstained by the world."

"Little children," says the apostle John, "let us love, not in word or speech, but in truth and action."

It is one of those falsehoods that the secular world loves, particularly when horrific atrocities occur, as at the beginning of the summer, with the murder of the French priest Fr Jacques Hamel; religion is bad, the world would be better off without it. Yet the real truth we need to hold on to and live out so that people can see, is that people of faith, real faith, the kind that God approves of, are intended always to be part of the solution, not part of the problem.

The Mission Statement of the Church I led in Cromer ended with we exist… 'for the good of the world'. It is one of the reasons here in the Diocese of Lincoln we have our 'Social Justice Fund', so that we can look for the difference we can make in the communities we are here to serve, and have the means, when they are needed, to make our plans and dreams a reality.

It is one of the fundamental mission questions each church, each mission community, has to face; if we didn't exist, if we weren't here, would it make a difference to the communities we are to serve? If we shut the doors tomorrow would anybody notice, apart from those who faithfully attend?

True faith, true religion is world affirming, seeks to make a difference - loves God, loves people, loves this world we've been given to enjoy. It is, to paraphrase a phrase recently used by President Obama, to believe in the 'audacity of love'. That is the calling of people of faith. The challenge is whether that is what people see and experience in both you and in me.

HACKTHORN C. OF E. PRIMARY SCHOOL

Retailers can be infuriating, can't they? No sooner have we polished off the Christmas turkey than the Easter eggs start appearing on the shelves. At the first sign of the odd leaf turning a little pale, then the garden centres start pushing out the Christmas decorations! And as for those 'Back to School' advertisements which seem to greet our children on their first day of freedom in the summer, well it all gets a bit much sometimes, doesn't it? We soon won't know whether we're buying stuff for this year or next!

In the world of education, though, we do have to plan well ahead and it will soon be time for parents to start thinking about choosing that all-important first school for children who are due to start in September 2017. We will be organising some activity days soon to give you an opportunity to see our school in action and allow your child to experience what we have to offer at first hand.

Contact the school on 01673 860295 to arrange a visit or to request a School Brochure, or have a look around our website at www.hackthorn.lincs.sch.uk

OWMBY-BY-SPITAL PARISH COUNCIL

Notes from the Council Meeting held in the Parish Church on 14th July 2016

REPORT FROM POLICE - PCSO provided incident statistics for the area from November 2015. There had been a number of incidents reported including a theft from a vehicle, anti-social behaviour at a party and a burglary from an unsecured shed on Fen Road. PCSO Law reminded people of the importance of securing sheds and vehicles.

PUBLIC PARTICIPATION - There was a discussion about the possibility of moving the notice board from its current location, which is due to be sold as a private property. The Council to consider other locations.

OUTSTANDING BUSINESS - a) Playing field update- the S106 agreement has been received by the solicitor acting for Normanby and Owmby Parish Councils. Once planning is granted the land will be handed over to the councils who will then endeavour to form a playing field committee with parishioners.

b) Vacant Councillor Position- Following an advertisement in the Signpost one person has expressed an interest in becoming a councillor. If anyone else is interested they should contact the clerk, Charlotte Wright, on 01673 838 151

c) Neighbourhood Plan- Currently only one person has expressed an interest in helping to form a Neighbourhood Plan. More volunteers are needed if this is to go ahead. This is an opportunity for local people to have a say in future planning issues in the area.

HIGHWAY MATTERS - Cllr Crompton-Howe reported that the pot holes on Highgate Lane where a cyclist had recently had an accident have not been repaired yet. Resolved clerk to contact highways. The footpath between Owmby and Normanby on Normanby Road is narrowing due to encroaching grass. This is making it difficult for children and parents when walking to school, the same is happening on Fen Road. Resolved clerk to contact highways. The Councillors discussed the possibility of creating a layby on Fen Road opposite some houses where a number of cars park. Resolved clerk to raise with highways.

PLANNING MATTERS - PA134670- New application. Paper copies of the application have been sent for. The application is proving difficult to view on the internet.

NATIONAL CITIZEN SERVICE - Resolved that a joint meeting with Normanby by Spital Parish Council should be held in the future to explore the scheme in more detail.

CEMETERY - The cemetery path has been cleared by the school children as part of 'Clean for the Queen.' Cllr Strange has provided £300 grant funding for any improvements that are needed to the path. Clerk to contact Normanby PC Clerk to discuss the possibility of reducing the height and width of the hedge in the cemetery.

NORMANBY-BY-SPITAL PARISH COUNCIL

Notes from the Parish Council meeting held on 3rd August 2016.

DC J Summers reported a new CCTV system has been installed in and around Gainsborough, which is proving very successful. A system will be installed in Market Rasen soon. There had been a 75-80% positive response to the questionnaire about Devolution, though there was not a lot of support for electing a Mayor. The Local Plan is nearing completion.

There was a long discussion regarding WLDC Planning Department as one application in particular has not complied with numerous conditions, but the building work has not been stopped while the conditions have not been met.

CC L Strange reported there will still be a 24 hour Fire Service, though crews have been reduced from 5 to 4, but there will be another fireman on standby. The Eastern by-pass should start end of September beginning of October. OFSTED highlighted Lincolnshire Children's Services as very good. The elderly are still being cared for as normal.

Street lighting is to be turned off at midnight, apart from areas where there is CCTV in operation.

Talks are still ongoing regarding the land for an open space, though we are hopeful of a resolution before the year end.

Testing the headstones in the cemetery has still not been undertaken due to establishing the correct procedure, though you may have noticed the path in the old part has been cleared ready for remedial work, the seat has been varnished and the plaque cleaned, thanks to Owmby Parish Council and some of the school children.

NORMANBY BY SPITAL PRIMARY SCHOOL

What an amazing year it has been! It certainly has flown by, we seemed to have squeezed so much in to the last two terms, I really couldn't be prouder of the determination that the children have shown and the successes that they have showcased.

We were especially proud and amazed at the talents that Class 3 demonstrated, when they performed their production, 'Charlie and the Chocolate Factory'. They astounded audiences with their courage and skills, singing and remembering never-ending lines! They are truly 'West End ready'! A huge thank you goes out to all who supported the show and to the efforts of all involved, it was fantastic! We will really miss our year 6 children, but wish them well at secondary school.

Class 2 have been real-life heroes and held a Community Event, working with the Parish Councils of Normanby and Owmby to clean, weed, paint and tidy the villages. Proving that real heroes don't need super powers, just kindness and courage. Class 1 held an exhibition, presenting all that they had learned about the seaside, there were songs, stories, a documentary on the life of a sea turtle and some fantastic shoe box aquariums-we really do have truly talented children at Normanby-by-Spital.

Thank you too to our local community who came out and supported our Queen's 90th Birthday party and our Summer Fair, we raised a staggering £719. It was super to see so many people there, the pupils had a fantastic time.

Busy Bees and Open days

Don't forget, our ever popular pre-school is now open full-time. Please ensure that you make enquiries as soon as possible to see if your preferred sessions are available. They are booking up fast!

If you are new to the area or are considering your child joining our school, please feel free to ring the school and book a time to come round, our doors are always open and we would love to meet you. WELTON PATIENT AND DOCTORS ASSOCIATION

The Autumn Fayre, which is on Saturday 22nd October from 2pm to 4.30pm, is fast approaching and we are still looking for bric a brac, tombola items, anything for the bottle and glass stall and bottles of wine for the wine or water stall, books and CD's . Bric a brac can be brought on the day after 9.30am or collection can be arranged. All the tables have now been booked and there is a waiting list for cancellations. We have some new interesting sale stalls this year which I will list in the October news. We will have a car full of balloons in the carpark for you to 'Guess the number of Balloons' with an adult and junior prize.

Raffle tickets are on sale at the Health Centre dispensary, Taylors Pet Foods and the Paper Shop in Welton and from all PDA drivers and Committee members at the surgery on the 'flu injection Saturdays when the dates are known so please bring some money with you! We are also going to be selling in the Coop on Saturday 1st October from 9am to 5pm. Please stop and say hello and buy a book of tickets.

We still have our E bay account selling on behalf of the PDA and have had several very kind donations recently of items to sell so again, if you have anything you think might be saleable that you would like to donate please get in touch.

Looking ahead, the PDA AGM will be held on Thursday 27th October 2016 starting at 7.30pm in the Health Centre waiting room. There will be a short business meeting during which the committee for the forth coming year will be elected. The various areas of the PDA, Financial, transport, fund raising etc will each present a short report of the previous 12 months business and the audited accounts will be available for anyone to view. We then have a short talk which this year will be given by Dr Howard (topic unknown at the moment) and the evening ends with tea/coffee and biscuits. It would be really good to see a few, or even a lot, of you there to show your support. The Committee works very hard in the background providing support to the Practice and we would welcome you to our AGM. The meeting usually lasts around 2 hours.

Date for your diary:

Christmas Lunch - 9th December

If you require any further information on any of the above don't hesitate to give me a call (862570).
